'Ohana Komputer

Now offering parent computer classes at Kipapa Elementary School

Google Docs will be starting on April 9th

Classes will be from 4:00 PM – 6:00 PM on Tues and Thurs from April 9th through May 1st

.

There is no cost as this program is being grant funded however consistent attendance is required.

Ohana Komputer offers a hands on curriculum to help you learn from the ground up. You will learn such thing as

How to create, format and edit documents yourself that will look professional.

How to change the font and the text size and alignment and add pictures

Come have fun with us while learning in an unintimidating environment.

Call today to reserve your spot as class space will be limited so we can provide the best learning environment for you.

Call 523-8191 with any questions you may have and to register for this class.
