

The Silver Springs Dad's Club was formed in 2011 to ensure that our kids have the best tools to learn in a safe and positive environment. Through fundraising and social events, active fathers can make a HUGE difference for the kids at Silver Springs.

More than 50 dads signed up last year. We meet twice a year, officially. We are often called upon to assist in fundraising efforts, as well as painting and light maintenance work around the school. Most importantly, we are active, visible dads making a positive impact on our kids at Silver Springs...and we have FUN!

- We help raise money for The Leader in Me program.***
- We sponsor Storia, Moby Max, and Second Step.***
- We will sponsor the winter Mother/Son event.***
- We work the kitchen at the school's annual Open House and Fun Fair.***
- We sponsor STEM related extracurricular activities.***
