## SCHOOL NEWS

St. Anthony welcomes the following new staff and faculty members to our school family: Amy Davidson (Mrs. Newell's assistant), Stacy Shipley (Ms. Coats' assistant), and Michele Warnock (Development Director). We are in the process of filling a couple more positions.

New outside security lighting has been installed in the front and back of the building. In addition to providing a tremendous energy saving, the lights will provide security and safety during the evening hours.

A garage that will be used for storage of Starry Night materials and other school items has been purchased. It will be located at the back of the school and should arrive around the first of August.

New ipads have been bought for the upper grades.

St. Anthony has purchased a new science program for grades K - 6. It is STEM-centered.

## USED UNIFORM SALE at BACK to SCHOOL NIGHT!

The Parent Association is hosting a Used Uniform Sale. If you have any items that you would like to donate to the sale, please drop them off during summer office hours.

St. Anthony Summer Camp is in full swing. The children have been having a great time. They've had lots of visitors and have learned about many different, exciting things. Below are some pictures from Summer Camp.

St. Joe High School Cheerleaders are hosting a mini-cheer clinic for rising kindergarteners through 6th graders. The camp is July 16 - 20. Contact Racheal Cole for more information at [rbcole1225@gmail.com](mailto:rbcole1225@gmail.com).
