- Policy Committee
 - The Policy sub-committee met on November 20, 2018 to make plans for the upcoming year to review the current handbook. We plan to review the existing Technology section and discuss the addition of a Security section in January 2019. Recommended changes to the handbook will be presented at the February 2019 meeting. Additionally we plan to review the Wellness Section before the end of the school year.
 - We discussed how to be involved with the Facility and Grounds Commission whose goal is to look at campus security. We want to make sure that the school is represented at the planning meetings - however since SAC is meeting at the same time this may prove to be a challenge. We'd like to take time to discuss how SAC and/or the school should be involved in the Facility & Grounds Commission security discussion.
 - Next sub-committee meeting is schedule for January 14, 2019 at 6:30.
- Strategic Planning Committee
 - Working on scheduling a meeting to review/revise the annual survey, tentatively January 9, 2019.
 - Request for specific questions due by January 8, 2019.
