

AP Recommended Summer Work

Welcome AP Scholars!

Your teachers are eager to begin the new school year with you in their class. Please see the **strongly recommended** work from your teacher for your course. This work will not be graded, however it is important that you at least try to take a look at some of it so that you can be more prepared for September.

Click on the course name below to find the recommended summer assignment for your class.

ENJOY YOUR SUMMER!
