

Student & Parent Handbook

2019-2020

I. Office/Operational Information

School Address and Phone Numbers:

Valley Charter Middle School
6952 Van Nuys Blvd.
Van Nuys, CA 91405

14646 Sherman Way
Van Nuys, CA 91405

Office: 818-988-9128 (7th/ 8th Grade)

818-928-4708 (6th Grade)

Fax: 818-988-9265 (7th/8th Grade)

818-928-4710 (6th Grade)

School Hours

8:35 a.m. – 3:15 p.m., Mon/Tues/Wed/Fri

8:35 a.m. – 1:30 p.m., Thurs and other shortened days

(Sixth grade begins and ends five minutes earlier.)

Office Hours

The school office is open between 8:00 a.m. and 3:30 p.m. on school days only.

II. Welcome to Valley Charter Middle School!

Valley Charter Middle School (VCMS) is a parent-initiated, tuition-free and non-sectarian public middle school. We offer a project- and inquiry-based, experienced-centered curriculum to serve our culturally rich and diverse population of students. By law, admission is determined by annual Public Random Drawing (lottery), and is open to all children in California.

III. Our Purpose

Our Mission Statement

The mission of Valley Charter Middle School is to provide a holistic and exceptional education to a diverse student body. We seek to prepare students to be the leaders of tomorrow by cultivating their intellectual curiosity, collaborative spirit, respect for others, and critical thinking skills.

We fulfill this mission by:

- Providing a constructivist, inquiry-based learning environment in which teachers guide students through active learning processes that develop conceptual understanding as well as self-knowledge.
- Implementing a project-based curriculum that develops academic, interpersonal, intrapersonal skills. Our program develops students who are creative and critical thinkers, who are unafraid to question, challenge, and express themselves. We prepare students to lead and to serve the greater good as members of a democratic society and as citizens of our growing global community
- Giving faculty time, resources, autonomy and a collaborative atmosphere to continually develop their skills while creating, evaluating and refining curricula by reflecting on the learning of their students.

- Communicating regularly with students' families, seeking family involvement in the life of the school, and continually reaching out to all families in the neighborhood to ensure a diverse and inclusive learning community.

Our Pedagogical Practices

Current research shows that a constructivist approach to teaching and learning develops deep and long-lasting conceptual understanding in students. When coupled with data driven instruction and problem-based lessons, constructivism is even more effective. We, therefore, embrace these three practices fully. Teachers continually assess each student's progress through observation, interaction, and testing, and then design lessons in response to student needs. Similarly, teachers will assess their own pedagogy's effectiveness in promoting student learning.

IV. Assessment

Assessment

Teachers use a variety of assessments to measure student progress and guide instruction, including:

- school/teacher created assessments and rubrics
- published academic assessments
- teacher observations, student conferences, and anecdotal records.

Teachers share student progress with parents informally in conversations, phone calls, and email, and formally four times a year in progress reports, report cards, and student-led conferences.

Standardized Testing

Smarter Balanced

The school is dedicated to documenting student achievement of the common core standards each year through state-mandated pupil assessments. As is required by the California Department of Education Code students will participate in the Smarter Balanced test, and all other mandated accountability programs (CELDT, etc.). Through these assessments, VCMS shall demonstrate student mastery of common core standards. Standardized assessments allow us to compare our students' performance with the rest of the state.

VCMS considers standardized test scores to provide a limited, but important, window into the achievement levels of students. Data from tests will be utilized to inform teaching, but will be acknowledged to represent a lesser part of the whole picture of student growth, development, and learning.

V. Beyond the School Day

Before and After School Programs

Our free before and after school programs, sponsored by the Youth Policy Institute (YPI) is offered daily from 7:05 am until the start of school, and from the end of school until 6:15 p.m. Students enrolled in the YPI program will have a variety of exciting after-school classes to choose from. Additionally, enrichment classes such as musical theater and model United Nations are offered for a fee. More information about the programs are available in the school office.

VI. Enrollment

By law, admission at VCMS is based on a random public drawing and all students wishing to enroll in the school must enter the lottery. Per our charter, admission is open to all students in the state and priority is given to siblings of existing students and a small number of children of school faculty (not to exceed 10%).

VII. Meals

Lunch costs \$4.50 per meal, and is offered Monday through Friday. Menus will be available online at <http://valleycharter.boonli.com>, and all ordering will be done online. All families are required to complete an application for free and reduced lunch, regardless of whether you think you qualify for this program. Please see the school office for more information about school lunch. All students are required to bring a reusable water bottle.

VIII. Our Community

We believe that every child is a unique individual and wants to learn. We are committed to providing a program that promotes educational excellence in a humanistic, nurturing and challenging environment. To assist each student in achieving his or her highest potential for intellectual and social growth, we recognize that the home and school must work together, recognizing and agreeing upon each party's responsibilities in the learning process.

Parents/guardians are responsible for:

- Providing a regular time, a quiet, well-lit place, and supervision for homework.
- Making sure their child gets to school on time and has had healthy foods to eat and adequate sleep.
- Attending two student-led conferences that are scheduled each year, as well as any other meetings that may be needed.
- Reading and responding to all home-school communications promptly.
- Monitoring attendance and only keeping their child home when they are ill or have an emergency
- Notifying the teachers if there is something happening in their child's life that could affect his/her progress in school.

- Demonstrating respect for all students and adults at school.

Students are responsible for:

- Demonstrating respect for and cooperating with all adults at school.
- Treating classmates and schoolmates with respect in the classroom and on the yard.
- Being in class on time and prepared to do their work.
- Completing all assignments, both in class and at home, to the best of their ability.
- Following all school rules and behavior codes. This includes no fighting, threatening, or bullying.
- Accepting responsibility for their choices.
- Doing their part to be sure our school is a place where people feel safe and supported in the learning process.
- Delivering all home-school communications promptly.
- Treating our school environment with respect, including picking up trash and keeping areas clean.
- Reading at home every night.

Teachers are responsible for:

- Demonstrating respect for all students and adults at school
- Communicating frequently to families about what is happening in the classroom and discussing ways they can help support student learning at home.
- Scheduling student-led conferences twice a year to discuss student achievement, as well as other meetings as needed.
- Providing opportunities for parents/guardians to volunteer, observe, and participate in classroom activities, as appropriate.
- Providing a safe, humanistic, nurturing, and challenging environment for students.
- Explaining and modeling assignments so that students have a clear understanding of what they are learning and what is expected of them.
- Supplying clear evaluations of student progress to students and parents/guardians.
- Notifying parents/guardians of any concerns or problems in a timely manner.
- Providing for two-way communication between classroom and home so that parents/guardians have reasonable access to discuss matters relating to their child.

Administrators are responsible for:

- Demonstrating respect for all students and adults at school
- Ensuring that our school provides high-quality curriculum and instruction in a safe, humanistic, nurturing, and challenging environment that enables all students to succeed.
- Providing for two-way communication between classroom and home so that parents/guardians have reasonable access to discuss matters relating to their child.
- Creating a welcoming environment for students, families, and community members.
- Ensuring that students whose behavior violates the school's code of conduct receive appropriate consequences.
- Communicating the school's mission, goals and policies to students and families.

- Providing and participating in a process for ongoing planning, reviewing and improving school activities and programs.
- Acting as the instructional leader by supporting teachers in their classrooms.
- Providing appropriate training and workshops for teachers and parents/guardians.
- Responding in a timely manner to feedback from students, families, and staff.
- Communicating with parents/guardians about school activities and ways they can support their child's learning.

Community Awareness

We must be respectful of our neighbors. We want to preserve a good relationship within the community and model cooperative citizenship for our students. Showing courtesy and respect to our neighbors is important in maintaining positive ongoing relationships. Parental behavior also serves as a model for our students. Please be respectful during the drop-off and pick-up times, and any other time you are on campus.

Classroom Visits

Teachers will coordinate volunteer opportunities based on classroom needs. If you would like to observe your child in the classroom, please contact an administrator first, and do not drop in unannounced.

Parent Participation Philosophy

Parent volunteerism a key to the success of any school, and we encourage parents to volunteer as much as possible. Parent volunteers:

- Develop community involvement and interaction, which is essential to the quality of our school program
- Keep our operational costs down
- Enable our school to function well in day-to-day routines
- Enable us to successfully plan events that raise money to support our school and build school and community involvement
- Enable us to apply for grants, as parent participation is a key element in most grant applications

Volunteer opportunities include assisting on a variety of committees, on field trips, or during special school events. We also encourage parents to check with their child's teachers if they are interested in volunteering in the classroom. Parents who would like to volunteer, but are unable during the school day, may be able to help with after school and weekend events.

Visitors to School Campus

All school visitors, including school volunteers, must have the consent and approval of an administrator or his/her designee. Parents wishing to speak with teachers must arrange appointments. Permission to visit must be given at the time requested if at all possible or within a reasonable period of time following the request. Children who are not enrolled at the school are not to be on the campus unless prior approval of

an administrator has been obtained. Visitors may not interfere, disrupt or cause substantial disorder in any classroom or school activity. All visitors are expected to:

- Sign in and get a visitor's badge upon arrival at the site
- Enter and leave the classroom as quietly as possible
- Not converse with the students, teacher, and/ or instructional aides during the instructional time
- Follow the school's established procedure for meeting with the teacher and/ or administrator after the visit, if needed
- Sign out in the office before leaving campus
- Any individual who disrupts a school site or fails to follow school rules and/ or procedures is subject to removal from the school site and may be further restricted from visiting the school.

IX. Fundraising

Why Do We Fundraise?

Fundraising is a part of life in California schools – public and private. Unless something radically changes in Sacramento, our public schools will continue to be under-funded.

It is possible to run a school on state funds, but for us it would mean *no* possibility of enrichment during the school day, such as electives, no assistant teachers in the classroom, and limiting many of the other programs that we believe are necessary for a child's growth and academic achievement. In order to continue these programs, we must fundraise to make up the difference between what it costs to educate a child at VCMS and state and local revenue. It is important to remember that no child will receive more or less based on his or her family's ability to contribute. Rather, we ask that everyone give at his or her comfort level. The important thing is for everyone to understand the need – and for all of us to get involved.

VCMS Fundraising Facts

Your contribution to Valley Charter Middle School is not only an investment in our children's future, but it's also an investment in the here and now. With your donation, we'll be able to preserve the things we value most about VCMS:

Small class sizes: VCMS class size is an average of 32 students while comparable LAUSD schools have 35-45 students.

Exceptional teachers: While many schools were laying off teachers and eliminating professional development, we continued to make the retention and professional development of top educators a top priority.

Assistant Teachers: Every class has a highly qualified teaching assistant. LAUSD is currently funding NO aides except for special education assistants.

Exceptional Programs: A quality, project-based curriculum requires materials and supplies. While teachers at LAUSD schools frequently must either go without such supplies or purchase them with their own money, our teachers have the supplies they need to teach the way we know is best for kids to learn and grow.

Diversity: In keeping with our core mission, we strive to be one of the most culturally and socioeconomically diverse schools in Los Angeles.

X. Home/School Communication

VCMS maintains a database of current information such as home address, telephone numbers, email addresses, and emergency contacts for each student. It is essential that this information be kept up-to-date so that the school can contact parents when there is a need. Each year, upon re-enrollment, parents receive a student emergency card for each child with the current information listed in the database. It is the parents' responsibility to update this form and to keep the school informed of any changes as they occur. Please contact the office with updates or changes of address, phone number, email, emergency contacts or medical information. We make every effort to provide communication in English and Spanish.

eBlast

Purpose: This is the **must-read** document from the school office. It contains important updates from the school to the parent body and will be emailed every Sunday evening.

Note: If you are not already receiving the eBlast, contact the school office to make sure your email address is correctly listed in our database.

VCMS Updates

Purpose: Time-sensitive information from the staff that cannot wait for the next issue of eBlast or deserves separate attention.

Web Site and Social Media

Our website is middle.valleycharterschool.org. The site has basic information about our school and the application process, as well as useful tools such as the school calendar and important news. Additionally, you can link to websites maintained by your child's teacher, which include homework and other special announcements. We also encourage you to like us on Facebook and follow us on Instagram.

Contacting Your Child During the School Day

You may reach your child during the school day in emergencies only as we do not want to disrupt classroom lessons unnecessarily. Call the office and we will relay the message. Children will not be permitted to use cell phones at school or to call home on a casual basis.

Contacting Your Child's Teachers

Email is the most efficient way to contact teachers. Email addresses for all VCMS staff are first initial last name @valleycharterschool.org. For example, John Smith would be jsmith@valleycharterschool.org. If you wish to contact your child's teacher by phone, please call the office. The office will make every effort to deliver your message in a timely manner.

Coffee with the Principal

These meetings will be held every other month. They serve as an opportunity to hear about upcoming events from the principal, as well as hear from exciting guest speakers. They are also a great opportunity to ask questions of the school's administration.

Parent/ Faculty Council

These meetings, held every other month, will provide you with an update of the work of our parent committees. This is also an opportunity for you to become involved with our committees.

Special Meetings and Events

Parents will be informed about meetings and events in a variety of ways, depending on the event. Most information is conveyed through eBlast or VCMS Updates (see descriptions above). Some will be posted on the VCMS website. Parents who do not have Internet access will be notified by phone, regular mail or flyer.

Board of Directors Meetings

The BOD is the body responsible for the fiscal security of the school to assure its longevity and quality. The BOD provides the oversight to make sure the mission of the school drives decision-making. The BOD hires and oversees the key school administrators who run the day-to-day operations of the school. Meetings of the Board of Directors are open to the public, and meeting dates, times, and locations will be publicized.

XI. Code of Conduct

Respect for self, others, and the school environment is key at VCMS. Student actions that could violate the safety of themselves or others, or which harm our VCMS community, will result in immediate responses from teachers and/or administrators as well as notification of parents.

VCMS STUDENTS WILL CONDUCT THEMSELVES AS FOLLOWS:

1. Be responsible and attend all assigned classes each day. Arrive on time, with the necessary materials, and be prepared for class. When absent, provide valid excuse signed by a Parent/Guardian.
2. Remain on campus at all times unless officially released by the VCMS office.
3. Show respect for all persons (their physical being, gender, property, opinions, and their culture)
4. Should disputes occur, work with teachers and the administrator in order to resolve such differences.
5. Be responsible for all actions, and be willing to accept the consequences for these actions

Specific examples of behaviors that violate the expectations for our community include, but are not limited to:

- Verbal abuse of others (using profanity, insults, etc.)
- Intentionally hurting another person
- Not following teacher/ staff directions
- Leaving school property during the school day (unless picked up by parent/ guardian)
- Rough-housing or fighting, including "play fighting"
- Threatening the physical or emotional safety of others.
- Behaving in a way that is hurtful or disrespectful to other students or staff
- Stealing
- Inappropriate public displays of affection

- Defacing school property or the property of others
- Unauthorized use of equipment
- Inappropriate use of the Internet

All of the above items refer to the school day, before and after school, and during school activities, whether at or away from the school. Students also remain under school supervision on their way to and from school, whether on campus or not.

Infraction/ Detention Policy

If students choose to violate a policy or procedure, they may be issued an infraction. Infractions can be issued by any adult on campus, including teachers, administrators, teaching assistants, and office staff. If a student receives three infractions, he or she will be required to serve a one hour detention. Detentions are held every Friday from 3:20-4:20 pm. If a child is assigned a detention, his or her parents will be notified by phone or email at least 24 hours before the detention will begin. Detentions must be served when assigned – they cannot be postponed or re-scheduled.

Progressive Discipline Policy

Valley Charter Middle School uses a progressive discipline policy, in our attempt to resolve issues quickly, and in the most effective way possible. The goals of these policies are:

- To ensure that all students can learn in a safe, supportive environment
- To ensure that students understand why certain behaviors are unacceptable at school
- To help students understand that there are consequences for our actions
- To keep parents/ guardians informed of the behavior of their children, and allow parents/ guardians, students, and the school to work as partners

The description below represents the typical way a violation of school expectations would be handled

Level 1: If a student violates a school expectation, staff will issue student a verbal warning, explaining what behavior needs to stop

If the student ceases the behavior, no further action is taken. If the student continues to violate the expectation, he/ she progresses to level 2

Level 2: Staff re-directs the student, possibly by changing their seat location, instructing them to move to a different location on the yard, or having them step outside for a moment to collect themselves.

If the student ceases the behavior, no further action is taken. If the student continues to violate the expectation, he/ she progresses to level 3

Level 3: Staff issues the student an infraction (see infraction policy above.) Parent/ guardian will be notified within 24 hours via phone or email of the infraction.

If the student ceases the behavior, no further action is taken. If the student continues to violate the expectation, he/ she progresses to level 4

Level 4: Student is sent out of the classroom to the office. There, student will have a conference with the principal or assistant principal and discuss the behavior, why it is creating a problem, and what the consequence for their behavior will be. The administrator will determine if the student can return to his/ her class for the remainder of the period. Parent/ guardian will be notified within 24 hours of the student's behavior and consequence.

If a student is receives repeated infractions or is repeatedly sent to the office, the principal or assistant principal will request a conference with the parent/ guardian to discuss ways to resolve the problematic behavior.

Although the procedure outlined above is generally the manner in which discipline will be handled, the staff reserves the right to send student to the office immediately for violations of expectations that make it impossible for the student or other students in the class to learn.

XII. Schoolwide Policies

Attendance and Tardy Policies

School attendance is vital to student achievement. Students who develop patterns of good attendance are much more likely to be successful academically, socially, and in the workplace. **On-time, daily attendance is expected of each and every student at Valley Charter Middle School.**

At VCMS, we view every instructional day as an essential learning opportunity; missing school regularly is detrimental to a child's learning and creates poor work habits. Although children can make-up their class work when they are absent, they may miss out on special class experiences such as performances, science labs, social connections and group work. School attendance is a child's "job," and is preparation for taking on adult responsibility later in life.

On the business/budget side, the school loses approximately \$35 a day in funding for each student absence (excused or unexcused). To put this in perspective, if students missed approximately 8 days of school on average, that would be equivalent to a \$53,760 loss in revenue! Educating your child costs money. We hope that you will send a clear message to your child about the importance of school through supporting them in attending school consistently and on time.

Excused Absences

Although attendance is very important, there are some times when students should stay home from school. A student shall be excused from school when the absence is:

1. Due to his or her illness. When a child has a fever, symptoms of illness, or a communicable illness, the child needs to stay at home to rest and recover. Children who run a fever should be free of fever for 24 hours before returning to school. If your child is ill, please call the school in the morning. Please do your best to inform us of an absence by 8:15 a.m. on the day of the absence. If the school is not notified

and the student does not report to school the next day with a note, the absence will be considered unexcused.

2. Due to quarantine under the direction of a county or city health officer (PLEASE NOTE: If your child has a communicable disease, the school office must be informed so that we can notify other parents and staff).

3. For the purpose of having medical, dental, optometric, or chiropractic services rendered, when such appointments cannot be scheduled outside of school hours.

4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.

5. Observance of a holiday or ceremony of his or her religion.

Documentation is required for all absences to help us understand why the child is not in school.

1. A note from a parent/guardian is required if your child is absent from or tardy to school for any reason.
2. If a child is absent for 3 or more consecutive days due to illness, VCMS requires a doctor's note on the first day of return indicating that your child is healthy enough to return to school.
3. If your child has a doctor's appointment during the school day, you must bring a note from the doctor to the school office.

A student may be dropped from VCMS if they are absent for ten days or more and the family HAS NOT contacted the office and the parent cannot be reached.

Tardiness

VCMS students are expected to be in their classrooms and in their assigned seats when the bell rings. All classes at VCMS begin with a graded warm-up, which is worth 10% of the overall grade in the class. A student who is tardy will miss part of the warm-up, and will not have the opportunity to make it up.

School begins at 8:35 a.m. each day for 7th and 8th graders and at 8:30 a.m. for 6th graders.

Students may arrive as early as 7:05 am to participate in the free before school program. A student must report to the office if he or she is late for school in order to be admitted to the classroom.

Tardiness is excused only if a student has a medical, dental, or legal appointment or there has been a legitimate family emergency. All excused tardies require appropriate documentation. Traffic congestion is not considered a valid excuse.

If your child is frequently absent or tardy:

1. You will be notified in writing and it is expected that your child's attendance will improve immediately.

2. Should your child's attendance/tardiness not improve, you will be notified by administration and expected to attend a meeting to determine what the issues are that impact your child's attendance and what solutions may be helpful to correct the problem.
3. Should your child's attendance not show any improvement, we will be required to report excessive absences to the Student Attendance Review Board (SARB). SARB makes the determination as to whether or not your child's attendance records will be sent to the District Attorney's office; this most likely will negatively affect a student's advancement into the next grade and may result in consequences from the DA's office.

Chronic tardiness will be handled in the same fashion as the attendance and ultimately may be reported to the Student Attendance Review Board (SARB) as described in the Attendance section above.

Withdrawal Procedures

If during the school year you decide to take your child out of VCMS, you must do so in writing. Please bring in a note indicating when your child will be leaving VCMS and where he/she will be going so that we can prepare your child's records for the next school accordingly. It is the intention of VCMS to automatically enroll all of its students into the next grade at the end of every school year. Your student will automatically be given a space at VCMS unless you indicate in writing that you will be leaving. If you are planning on leaving VCMS, we would appreciate the courtesy of letting us know in writing as soon as you know so that we may give the opportunity to other families on the waiting list.

Homework Policy

We believe that the purpose of homework is to help children deepen their understanding of concepts learned in class and to sharpen skills which require repeated practice in order to master. The amount and type of homework given will vary based on a number of factors, including age, learning needs, content, and skill. Unless specified, students will be expected to complete homework independently. Although parents or guardians may monitor or assist with homework, it is the student who must assume responsibility for attempting and completing each assignment and remembering to return it to school.

To assist students in remembering their homework, students must write their homework in their planner in every class, every day. Students who forget their planner will be given an infraction and will be issued a temporary one-day planner.

- Homework is due on the specified due date. If absent, students get one extra day for each day absent.
- If students are confused about a homework assignment, they are encouraged to email their teacher.
- Because homework is most valuable when submitted on the date assigned, late homework will not be accepted.
- Students are encouraged to stay after school for assistance with homework.
- Students are responsible for making up work, including tests and quizzes, when they are absent. Students should check with their teachers about missed work.

Locker Policy

Valley Charter Middle School is pleased to be able to provide lockers for all students to store personal items. Lockers are a privilege, which may be lost if any of the following rules are not observed.

- It is recommended that students ONLY use their lockers before school, during lunch, and after school. Lockers may be used between classes if necessary.
- If a student must get something from their locker during class time, a signed note from a teacher will be required.
- Students are NOT allowed to share lockers with any other student. Other students should not know someone else's locker combination.
- Students may use the lock provided to them by the school. If a student elects to use his/ her own lock, it must be a combination style lock, and the combination must be provided to the office. The office will keep a list of the combinations of all locks. Students violating this rule will lose locker privileges for the semester. A student with five or more tardies in a single class will lose their locker privileges for a week. A student with eight or more tardies in a single class will lose their locker privileges for the semester.
- If more than one student shares a locker, all the people caught sharing will lose locker privileges for a week for the first offense, and for a semester for a second offense.
- The school reserves the right to search a students' locker as allowed in current education code. If the school attempts to open a locker for the purposes of a search, and the combination provided by the student does not work, the school will break the lock.

Skateboarding/ Bike Riding Policy

Students are permitted to ride a bike or skateboard to school. Bikes should be locked on the gate near the field, and skateboards should be left in the office. Students may not ride bikes, skateboards, scooters, hoverboards, or any other similar item on campus. Students doing so will be given an infraction.

Dress Code

Students are expected to dress appropriately for school. A student's manner of dress must not be disruptive to the educational process in the classroom or on campus. Specifically, the following will be enforced:

1. Students may not wear clothing that contains obscene, offensive, profane words or images.
2. Students may not wear clothing identified as gang-related.
3. Students may not wear hoods while inside a classroom.
4. Students may not wear ripped pants (jeans, jeggings, leggings) with rips above the knee.
5. Dresses, skirts and shorts may not be shorter than your fingertip length (when arms are flat to your side).
6. Students may not wear clothing that causes their midriffs to be exposed when reaching over your head (students must be able to move freely without showing their midriffs or having to pull down their shirt).
7. Students may not wear low cut shirts that show cleavage.
8. Students may not wear excessively baggy clothing.
9. Students must wear closed-toed, closed-heeled shoes. Students may not wear slip on sandals, Heelys (other roller skate shoes), flip-flops or crocks.
10. Students may not wear pajamas to school (unless part of a special event).
11. Students may not wear clothing in such a way that their undergarments are visible while standing still or moving (this includes sagging pants).

12. Clothing may not restrict students' full participation in physical education (students may change in the restroom prior to PE if desired).

Additional items may be added to this list during the school year if deemed necessary by school administration.

Students who are in violation of dress code for the first time will be required to correct the problem if possible (for example by turning a shirt inside out, buttoning up a shirt or coat, tightening a belt, etc.) If they are unable to correct the problem, parents/ guardians will be contacted to bring a change of clothes, and the student will remain in the office until the new clothing arrives. A student who is in violation of dress code for the second time will receive an infraction in addition to the above actions.

Electronics Policy

There is no need for students to have cell phones at school, and we recommend that they not be brought to school. If a student elects to bring a cell phone to school, it must remain off and in a student's locker or backpack while students are on campus. This includes the time before and after school. Other electronic devices may not be brought to school. If teachers or staff members see a cell phone or other electronic device on a student's person, regardless of whether it is being used, they will confiscate the device and send it to the office. For the first offense, students will be allowed to pick up their device at the end of the day. For the second offense, parents/ guardians will be required to pick up the device and an infraction will be issued. For subsequent offenses, the phone will be held in the office for one week, after which a parent/ guardian may pick it up and an infraction will be issued. The school assumes no responsibility for electronic devices that are lost, stolen, or damaged when brought to school.

Bullying Policy

What is bullying?

- An intentional act designed to hurt another person physically, socially, or emotionally. The child who bullies wants to harm the victim; it is no accident.
- Characterized by repeat occurrences. Bullying is not generally considered a random act, nor a single incident.
- A power differential. Bullying is characterized by a situation where the child who bullies has some advantage or power over the child who is victimized.

What can bullying look like?

- Physical - hitting, kicking, beating up, pushing, spitting, property damage, and/or theft.
- Verbal - teasing, mocking, name-calling, verbal humiliation, verbal intimidation, threats, coercion, extortion, and/or racist, sexist or homophobic taunts.
- Social - gossip, rumor spreading, embarrassment, alienation or exclusion from the group, and/or setting the other up to take the blame.

- Cyber or electronic - using the Internet, email or text messaging to threaten, hurt, single out, embarrass, spread rumors, and/or reveal secrets about others.

What should students do about bullying?

- If you are a victim, tell an adult what is going on. This might include parents, teachers, the assistant principal, or the principal.
- Try to avoid or ignore the bully. Even if you are doing this, you should still let an adult know what is going on.
- If you witness bullying, let an adult know. This is one of the best ways to show that you are a true friend to the victim.

What VCMS does about bullying?

- When an incident of bullying is observed by or brought to the attention of VCMS staff, the situation will be investigated by the assistant principal or principal. The investigation will include speaking with the alleged bully, alleged victim, and potential witnesses.
- The assistant principal or principal will encourage the alleged bully and victim to speak to each other about the situation with an adult present, if the victim feels comfortable doing so.
- If it is determined that bullying has occurred, the parents of both the bully and victim will be contacted. The bully will receive immediate consequences for his or her actions. Possible consequences for acts of bullying include loss of privileges, detention, and suspension. Teachers and administrators will work closely with the victim to determine what we can do for him or her to help him or her feel safe and comfortable at school.
- In all cases, the goal of VCMS is not simply to punish the bully. The goal is to change the behavior, so that the victim feels safe and the bullying does not continue.

Student Behavior: Education Code

The Education Code enumerates safety policies that also relate to suspension and expulsion. Prior to recommending that a student be suspended, administrators will carefully consider other options, and will only recommend suspension if it is determined that there is no other appropriate consequence given the nature of the students' actions. For example, students may be recommended for suspension or expulsion upon a determination that the student has committed one of the acts listed below:

- Used tobacco or any products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel.
- Unlawfully possessed, used, or was under the influence of any controlled substance as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind.
- Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code 11014.5.
- Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties.

- Possessed an imitation firearm, i.e., a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a responsible person to conclude that the replica is a firearm unless, in the case of possession of any object of the type, the student had obtained written permission to possess the item from a certified school employee, with the administrator's or designee's concurrence.
- Caused or attempted to cause damage to school property or private property.
- Stole or attempted to steal school property or private property.
- Committed an obscene act or engaged in habitual profanity or vulgarity.
- Knowingly received stolen school property or private property.
- Engaged in, or attempted to engage in, hazing as defined in Section 32050.
- Aided or abetted the infliction or attempted infliction of physical injury to another person.
- Engaged in sexual harassment as defined in Section 48900.2.
- Engaged in harassment, threats, or intimidation directed against school district personnel or pupils as defined in Section 48900.4.
- Made terrorist threats against school officials, school property or both as defined in Section 48900.7.

In terms of mandatory expulsion, federal laws state that a school must expel, for a period of not less than one year (except on a case-by-case basis), any student who is determined to have brought a firearm to school. In addition, students may be expelled upon determination that the student has committed one of the acts listed below:

- assault or battery upon any school employee—Section 48915(a)(5)
- brandishing a knife—Section 48915(c)(2)
- causing, attempting to cause or threatening to cause serious physical injury to another person, except in self-defense—Section 48915(a)(1)
- hate violence—Section 48900.3
- possession, selling, or furnishing of a firearm—Section 48915(c)(1)
- possession of an explosive—Section 48915(c)(5)
- robbery or extortion—Section 48915(a)(4)
- offering, negotiating a sale or selling a controlled substance—Section 48915(c)(3)
- committed or attempted to commit sexual assault or committing a sexual battery (as defined in Section 48900)—Section 48915(c)(4)
- harassed, threatened or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness

Per charter petition, prior to expulsion, students will be accorded due process unless the student's conduct presents an immediate threat to the health or safety of others. Incidents that may warrant student expulsion will be handled in a manner consistent with California Education Code, Section 48918. VCMS may seek the advice and guidance of, or work in conjunction with, LAUSD Pupil Services Department in accordance with District policy for handling expulsion recommendations.

XIII. Safety

Drop-off and Pick-up Procedures

To ensure the safety of all students as they enter and exit VCMS each day, the following guidelines are necessary. The guidelines listed below will help to eliminate potential accidents, as well as unsafe crossing.

6th Grade Site

- Parents should enter the large parking lot, bear right, and go around the parking lot to the pick up area

7th/8th Grade Site

- Parents driving their child to school should enter through the Van Nuys gate, drive down the alley, drop off their child, and continue driving, exiting out the Hart St. gate

Both Sites

- Drivers are asked to drive slowly and carefully through the drop-off area. Safety at all times is crucial! Please do not talk on your cell phone while dropping off or picking up your child. Always be aware of pedestrians.
- Parents are encouraged to drop their child off early to avoid the congestion just before the start of school.
- Students who are walking or riding a bike or skateboard to school may enter through the pedestrian gate at the front of the church.
- The same procedures apply for pick-up.

Leaving Campus

No child is permitted to leave the VCMS campus at any time during the school day unless they have permission from the office and are accompanied by an authorized adult. Children will only be released to parents and others who have been designated on the emergency card. If you are picking up your child from the 7th/8th grade site during the school day, enter through the back gate (Hart St.) You **must** sign him/her out in the office before taking him/her from the classroom.

Lost and Found

For lost and found items, see the school's office. Unmarked articles will be donated at the end of each month.

XIV. Health

Illness Policy

We wish to keep all children healthy. Please keep your child at home if he/she shows any signs of illness. The school will send a student home when it appears necessary. Children will not be admitted to school or be allowed to stay if they have a fever of 100 degrees or more, diarrhea, vomiting, lice or nits, excessively runny noses, serious coughs or infectious illnesses. Children should be free of symptoms for 24 hours before returning to school. Children who are determined to be ill by staff will receive attention and rest in the office until a parent or guardian can pick them up.

Sunscreen

Sunscreen is an important part of overall health. The Centers for Disease Control (CDC) recommend everyone use a sunscreen with at least an SPF 15 even on cloudy days. As most PE classes will take place outside and most of our days are sunny, students wishing to protect their skin will be given time to apply sunscreen at the beginning of each class. VCMS cannot provide sunscreen and students are responsible for their own application.

Immunizations

All students who enroll for the first time must show a written report a Mantoux (PPD) test, to show that they are free of tuberculosis. Children must also have the following immunizations: polio (four shots), DPT (five shots), MMR (two shots), hepatitis B (three shots), Varicella (2). The office will review all immunization, and children who do not meet state requirements will be excluded from school until these requirements are met. Documentation from a physician is required for all waived immunization requirements. Note: The state of California requires all students in grades 7 through 12 to show proof of immunization (Tdap) against Whooping Cough (pertussis).

Medication

Children may only receive medication during school hours with a written request from the parent/guardian and from the physician who is responsible for the medical management of the child. Parents are urged, however, to request that the physician develop a schedule in which taking medication in school is minimized or eliminated. Requests should be processed through the office.

All medications must be stored at school in the original prescription bottle, labeled with dosage instructions, and be administered in the office. No student may carry his or her own medication or take medication unsupervised except in the case of an inhaler where the doctor has given permission.

If your child takes medication regularly during non-school hours, you should leave a short-term supply in the office to be used in case of an emergency, such as an earthquake. Please fill out the Medication Request Form and label it in red "For Emergency Use Only." Record expiration dates and replace prescriptions as needed.

Injuries

If your child sustains any type of major injury (e.g., a broken bone), a note from your doctor is required before your child may return to school. Students needing any supportive appliances (crutches, cast, wheelchair, etc.) must also have a written order from the prescribing physician. Children with casts and splints are not allowed to participate in physical education or playground activities, but alternative activities are arranged until the cast or splint is removed. Please contact the office to make specific plans for your child's participation in school activities.

Lice

Children with head lice are excluded from school until all nits/eggs are removed. Upon return to school, please bring your child to the office to be checked for lice for clearance to return to class. If you suspect your child of having head lice or you detect lice, please inform the school office right away so all other children in the school can be checked.

XV. Emergency Procedures

To ensure the safety of all VCMS students and staff, the following procedures are implemented in case of an emergency:

If Emergency Occurs During Class Time:

If the Emergency is a **fire**, classroom teachers will escort their students to the Emergency Assembly Area (the field).

In case of an **earthquake**, teachers will instruct students to drop/cover until the shaking stops, before evacuating students to the Emergency Assembly Area. Teachers or assigned staff will join each class and continue with emergency procedures. Staff without an assigned class will report to the Incident Command Center.

If the Emergency is a **lockdown**, teachers will lock doors, close blinds, and move everyone away from windows. Teachers will remain indoors with students until an all-clear announcement is made.

If Emergency Occurs When Students Are Not in the Classroom:

If an emergency occurs before school, after school, or during lunch teachers and staff will meet students in the courtyard. If a **lockdown** occurs, teachers will escort students back to classrooms to secure doors as quickly as possible. If an **earthquake** occurs, students will be directed to drop and cover their heads. Staff will direct students to line up in their assigned areas or lead them to Emergency Assembly Area if necessary. Teachers or assigned staff will join each class and continue with emergency procedures. Staff without an assigned class will report to the Incident Command Center.

Emergency Drills

Emergency drills are performed monthly. Emergency drills include, fire drills, earthquake drills, and lock-down drills.

Classrooms have an “emergency kit” stocked with first-aid equipment and water. There will be a single, designated safe place in case of a disaster or emergency where parents may pick up their children. *If this were to occur, it will be necessary for parents to show proof of identification.* **Also, it is very important to keep your child’s emergency contact information updated at all times.** Please contact the school site for more assistance.

XVI. Child Abuse and Neglect Reporting Act

Many of VCMS’s employees work directly with children and they are in a position to detect instances of child abuse and neglect. The Child Abuse and Neglect Reporting Act (“CANRA”) places certain responsibilities on the following individuals who work with children with respect to reporting child abuse and neglect: teachers; instructional aides; teachers’ assistants or aides; administrators of private or public day camps; administrators or employees of public or private youth centers, youth recreation programs or youth organizations; and administrators or employees of public or private organizations who have direct contact and supervision of children. All of those individuals are considered to be “mandated reporters” under CANRA. Mandated reporters do not investigate suspected incidents of child abuse, they simply are required to report.

Any mandated reporter who has knowledge of or observes a child, in his or her professional capacity or within the scope of his or her employment, which he or she knows or reasonably suspects has been the victim of child abuse or neglect must report such suspected incident or abuse. The child abuse is not limited to physical abuse, but also includes emotional damage that the child may evidence by the following behaviors: severe anxiety; depression; withdrawal or aggressive behavior toward self or others; and/or mental abuse.

XVII. Complaint Policy/Resolving Conflict

As a community of respect, adult strategies of conflict resolution are models for our children. Gossip is detrimental and often leads to misinformation as well as escalation of issues that can be readily, promptly and effectively resolved. Please go to the source if you have a concern. If need be, first collect your thoughts by talking to a family member or friend outside of the VCMS community.

The following tips are helpful in resolving concerns constructively:

- If the concern involves a teacher or other staff member, begin there. Choose a time/place when the conversation can be private.
- If the two of you cannot resolve the problem, go to the principal.
- If the problem is with the principal, begin there.
- If the problem is with the principal and you have discussed it with him first and not come to a resolution, you may take the issue to the executive director.
- If the problem is with the executive director and you have discussed it with him first and not come to a resolution, you may take it to the Board President by filling out a grievance form. Forms are available in the main office.

GENERAL COMPLAINTS POLICY

Valley Charter Schools ("Charter School") has adopted this General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Policy Against Unlawful Harassment and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures will be appropriate.

This section of the policy is for use when either a complaint does not fall under other complaint procedures or a third party (non-employee) raises a complaint or concern about the Charter School generally, or a Charter School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of the Executive Director or Board President (only if the complaint concerns the Executive Director) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Executive Director (or designee) shall abide by the following process:

1. The Executive Director or designee shall use his or her best efforts to ascertain the facts relating to the complaint. Where applicable, the Executive Director or designee shall talk with the parties identified in the complaint or persons with knowledge of the particulars of the complaint to ascertain said facts.
2. In the event that the Executive Director (or designee) finds that a complaint is valid, the Director (or designee) may take appropriate action to resolve the problem. Where the complaint is against an employee of the Charter School, the Executive Director may take disciplinary action against the employee. As appropriate, the Executive Director (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Executive Director's (or designee's) decision relating to the complaint shall be final unless it is appealed to the Board of Directors of the Charter School. The decision of the Board of Directors shall be final.

GENERAL REQUIREMENTS

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. Resolution: The Board (if a complaint is about the Executive Director) or the Executive Director or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

XVIII. Legal Disclaimers

The information contained in the VCMS Handbook is provided for informational purposes only. Information may be changed or updated without notice. VCMS expressly disclaims all liability with respect to actions taken based on any content in this handbook or in any newsletter articles, eNews messages, or other communication, whether verbal or in writing. VCMS assumes no responsibility for errors or omissions in this handbook or other documents which are referenced in this handbook. VCMS does not discriminate on the basis of race, color, national origin, gender, disability, religion, or sexual orientation.

XIX. Photo Authorization & Release Form

Throughout the coming school year, your child is going to participate in many wonderful school events and might be included in pictures taken during those events. With your permission, we'd like to make those pictures available for use in Valley Charter School media such as the school website, videos, or newsletters. Before we can do that, we need your permission.

- a. I, as a parent or guardian of the above named student, hereby authorize and grant to Valley Charter School the right to print, publish, and edit as desired photographs and recorded images of the student named herein. This authorization permits the use of the photographs and recorded image(s) in any medium or form of distribution including but not limited to audio, video, film, slide or any other

- electronic and print formats (known as "Recordings") for use in any Valley Charter School media purpose generated by or through the Valley Charter School administration and/or Board of Directors.
- b. I understand and agree that the use of such Recordings will be without any compensation to the pupil or the pupil's parent or guardian.
 - c. I understand and agree that Valley Charter School shall have the exclusive right, title, and interest, including copyright, in the Recordings.
 - d. I understand and agree that Valley Charter School shall have the unlimited right to use the recordings for any Valley Charter School media purpose.
 - e. I hereby release and hold harmless Valley Charter School from any and all actions, claims, damages, costs, or expenses, including attorney's fees, brought by the pupil and/or parent or guardian which relate to or arise out of any use of these Recordings as specified above.

XX. Student Computer & Internet Use Policy

Valley Charter Schools (VCS) provide computers, networks, and Internet access to support the educational mission of the schools and to enhance the curriculum and learning opportunities for students and school staff. VCS believes that the resources available through the Internet are of significant value in the learning process and preparing students for future success. At the same time, the unregulated availability of information and communication on the Internet requires that schools establish reasonable controls for lawful, efficient, and appropriate use of this technology.

Student use of school computers, networks, and Internet services is a privilege, not a right. Students are required to comply with this policy and the accompanying rules. Students who violate the policy and/or rules may have their computer privileges revoked and may also be subject to further disciplinary and/or legal action.

All VCS computers remain under the control, custody, and supervision of the school. The school reserves the right to monitor all computer and Internet activity by students. Students have no expectation of privacy in their use of school computers.

While reasonable precautions will be taken to supervise student use of the Internet, VCS cannot reasonably prevent all inappropriate uses, including access to objectionable materials and communication with persons outside of the school in violation of policies/procedures and school rules. The school is not responsible for the accuracy or quality of information that students obtain through the Internet.

Before a student is allowed to use school computers and Internet services, the student and the student's parent/guardian must sign and return the Computer/Internet Access Acknowledgment. The school will retain the signed acknowledgment.

The Executive Director shall be responsible for overseeing the implementation of this policy and the accompanying rules, and for advising the school of the need for any future amendments or revisions to the policy/rules. The Executive Director may also develop additional administrative procedures/rules governing the day-to-day management and operations of the school's computers.

STUDENT COMPUTER AND INTERNET USE RULES

The rules for student computer and Internet use are intended to provide general guidelines and examples of prohibited uses but do not attempt to state all required or prohibited activities by users. Failure to comply with the VCS policy and these rules may result in loss of computer and Internet access privileges, disciplinary action and/or legal action.

A. Computer Use is a Privilege, Not a Right

Student use of the school's computers, networks, and Internet services is a privilege, not a right. Unacceptable use/activity may result in suspension or cancellation of privileges as well as additional disciplinary and/or legal action.

The school principal shall have final authority to decide whether a student's privileges will be denied or revoked.

B. Acceptable Use

Student access to the school's computers, networks, and Internet services are provided for educational purposes and research consistent with the school's educational mission, curriculum, and instructional goals. Students are further expected to comply with these rules and all specific instructions from the teacher or other supervising staff member/volunteer when accessing the school's computers, networks, and Internet services.

C. Prohibited Use

The user is responsible for his/her actions and activities involving school computers, network, and Internet services and for his/her computer files, passwords, and accounts. Examples of unacceptable uses that are expressly prohibited include, but are not limited to the following:

1. Accessing Inappropriate Materials – Accessing, submitting, posting, publishing, forwarding, downloading, scanning, or displaying materials that are defamatory, abusive, obscene, vulgar, sexually explicit, sexually suggestive, threatening, discriminatory, harassing and/or illegal;
 1. Illegal Activities – Using the school's computers, networks, and Internet services for any illegal activity or activity that violates other policies, procedures and/or school rules;
 2. Violating Copyrights – Copying or downloading copyrighted materials without the owner's permission;
 3. Plagiarism – Representing as one's own work any materials obtained on the Internet (such as term papers, articles, etc.). When Internet sources are used in student work, the author, publisher, and Web site must be identified;
 4. Copying Software – Copying or downloading software without the express authorization of the principal or teacher;
 5. Non-School-Related Uses – Using the school's computers, networks, and Internet services for non-school-related purpose, solicitation, or for any other personal use;
 6. Misuse of Passwords/Unauthorized Access – Sharing passwords, using other users' passwords without permission and/or accessing other users' accounts;
 7. Malicious Use/Vandalism – Any malicious use, disruption or harm to the school's computers, networks, and Internet services, including but not limited to hacking activities and creation/uploading of computer viruses; and Unauthorized Access to Chat Rooms/News Groups – Accessing chat rooms or news groups without specific authorization from the supervising teacher.

D. No Expectation of Privacy

		<p>Student Code of Conduct – I have read and understand the expectations in Code of Conduct for all students. I have also reviewed, understand, and will support the dress code, electronics policy, locker policy, and bike/ skateboard policies on pages 7-9. I understand that a student whose actions or behavior violates these policies, or compromises the learning environment, will be held accountable.</p>
		<p>Student Behavior: Education Code – I understand and support that Valley Charter is a safe zone for students and staff, and have read the Education Code policies that enumerate safety policies that relate to suspension and expulsion. I understand that students found to be in possession of, under the influence of, who intend to use, or who are negotiating the sale of an illegal substance or weapon may be expelled.</p>
		<p>Health – I have read, understand and support the health concerns tied to returning to school after an illness or injury, medication taken during school hours, and lice.</p>
		<p>Photo Authorization & Release Form – I have read and understand the Photo Authorization & Release and I agree to accept its provisions unless I have checked the box below.</p> <p><input type="checkbox"/> I do not want photographs of my child used in any Valley Charter School media.</p>
		<p>Student Computer/Internet Use Acknowledgment Form</p> <p>I have read the Student Computer/Internet Use policy and rules. I understand that my son/daughter's use of school computers is subject to compliance with these rules. I further understand that violation of the policy or rules may result in the revocation of computer privileges and may also be subject to further disciplinary and/or legal action.</p>
		<p>VCMS Cell Phone Policy</p> <p>I have read and signed the VCMS Cell Phone Policy and agree with the rules and expectations while my child in on campus whether before school, during school, or after school. I understand that my son/daughter's use of cell phones while at school is subject to compliance with these rules. I further understand that violation of the policy or rules may result in the following; First violation, the cell phone is taken from student and student is able to pick up after school. Second violation, the cell phone is taken from the student, an infraction is issued and a parent must pick up the cell phone after school. Third violation and beyond the cell phone is taken from student, an infraction is issued, and a parent must pick it up one week later.</p>
