## Summit Academy Bluffdale

### Principal's Message

It's time again for our annual Penny Wars. For those families who are new to Summit, this is our charitable giving activity. The money raised will help families in our community whose holiday season could be brightened with our help. Students can bring in their change and deposit it in their classroom jar. The classes that bring in the most money will earn a hot chocolate party. Please see the attachment for more details.

I want parents to be aware that our Intent to Return forms will be online this year. Parents will be receiving an email on December 11th that will give them step by step directions that they can follow once they have a *parent* account in SIS. If you do not yet have a parent account, please see attachment for instructions.

*Mrs. Brantley*

## Message from the Director

Dear Summit Academy Families,

As we prepare for the upcoming winter season, I would like to inform you of inclement weather guidelines for parents and students. Should conditions necessitate a change in our previously set schedule, Summit Academy Schools officials are prepared to communicate through a variety of means including home and cellular phones, our website, Summit Academy Schools apps (with push notifications), official Summit Academy Schools social media accounts, and local news outlets. We invite you to make sure that your contact information is current with your local school front office and that you are taking advantage of these other communication platforms.
