Dear Parent(s)/Guardian(s),

This letter is to inform you that Mrs. Sarah Sondej's third grade class has been temporarily relocated to another available room within Mars Area Elementary School, because of an unpleasant odor within the classroom.

No other classrooms are affected. The District and Mars Area Elementary School appreciate your patience as we work with our maintenance staff to identify the cause of the odor. Until the students can be returned to their regular classroom, the education process will continue as normal as possible. Thank you.

Sincerely,

Mr. Todd Lape,
Principal
