Dear Community Member:

As a fellow community member I'd like to invite you to invest in the children of Pomona, by becoming a supporter of the **Pomona Big Yellow Bus Program**.

Support of the Big Yellow Bus Program offers **FREE** educational field trips to students from Pomona. For every \$10 contributed, one student will have the opportunity to participate in an educational field trip offered by The Learning Centers at Fairplex (TLC):

- **Farm Field Trips** – Reconnecting students to the agricultural heritage of the Inland Valley with lessons on agriculture, nutrition, soil science, botany and more.
- **FairKids Field Trip** - Remember your first trip to the Los Angeles County Fair, the citrus trees, monorail and a squeal of a newborn piglet. Just as you punched your ticket into the Fair, your support helps a new generation create their own memories. Students will enjoy hands-on instructional exhibits, such as Wilderness Ridge, The Farm, and the Flower & Garden Pavilion.
- **Millard Sheets Art Center Trips** – Through exhibitions, programs and events MSAC provides students with meaningful experiences within the world of visual arts.

In 2017 Pomona schools sent over **12,800 students** to participate in TLC's educational field trips. To ensure **EVERY** student has this opportunity to participate, we need **your support**.

Join me in providing our students with unique learning opportunities by making your **tax-deductible donation**:

1. Call (909) 397-4480
2. Mail Contributions to: 800 s. Garey Ave., Pomona Ca 91766
3. Donate online at www.TLCfairplex.org/bus and designate your contribution to **Pomona**.

Sincerely,

Richard Martinez
Superintendent
