

FOR IMMEDIATE RELEASE

Snowline JUSD

Baldy Mesa, Ca (May, 20 2019)- This morning, Baldy Mesa staff found ammunition and razor blades in our Baldy Mesa Elementary School playground. Snowline JUSD Police, San Bernardino County Sheriff's Department and Snowline Administration were immediately notified and responded. At this point students were already arriving to campus. As students arrived we quickly secured students into our Multi-Purpose Room and notified parents of the incident. Parents were encouraged to keep their students at home or to pick up their students if they had already dropped them off.

We are working closely with the San Bernardino County Sheriff's Department as they lead the investigation. We would like to thank all of the Baldy Mesa Staff and parents for their cooperation this morning. The investigation is ongoing and we will update our community as we are provided with information.

###

About Snowline Joint Unified School District- Snowline JUSD reaches the Southern California communities of Wrightwood, Phelan, Pinon Hills, Baldy Mesa, Oak Hills, West Cajon Valley and portions of Victorville. The K-12 district is the home of 12 schools, as well as an adult education program. Snowline is the home of 5 California Distinguished Schools, as well as a leader in 21st Century Learning.
