

Enrollment in CUHSD as a Foreign Exchange Student

To enroll as a foreign exchange student in the Campbell Union High School District, the student must:

- Work through an approved Foreign Exchange student organization
- Enroll in our district for a full academic year and reside with a family who lives in the appropriate attendance area
- Submit a completed application (prepared by the Foreign Exchange student organization) during the transfer request period; the district begins processing applications received during the December 1st-January 31st window, with notifications going out after March for the upcoming year. Late requests will be processed on an 'upon receipt' basis.
- All communication should be conducted with the Foreign Exchange Association only.
- A student may only be enrolled in CUHSD for one year as an international exchange student.
- Typically, there are fees due to the international exchange student organization which the student and organization are responsible for.
- There are no fees due to the district for the school year during which the student is enrolled as an international exchange student.
- There are a limited number of "slots" for foreign exchange students district wide; this number is determined each year based on enrollment projections for the upcoming year.

Additional information for Guidance Counselors:

- only graduating Seniors receiving a CUHSD diploma are allowed to participate in graduation ceremonies. Foreign exchange students cannot receive a CUHSD diploma or participate in graduation ceremonies.
- Most foreign exchange students enter CUHSD as Juniors. Recommended classes would be American Literature and US History.
- Foreign Exchange students are not eligible for ELD or Special Education services.
- **Under no circumstance should a school administrator sign an I20 form for school attendance.** All such inquiries should be directed to the District Office.
- Boynton HS is not an option for a Foreign Exchange Student
