Hello Parents!

Welcome to the School Food Service program! We would just like to explain a few aspects of our program. Breakfast and lunch are served daily in your child's school. We are on the National School Lunch Program, so we follow all the regulations for the nutrition standards. The meal prices are as follows:

Breakfast:	Paid:	\$1.50
	Reduced:	\$.30
Lunch:	Paid:	\$2.70
	Reduced:	\$.40

If your student was on the free and reduced program last year, they will be eligible this year through September 28, 2018. A new free and reduced application must be filled out and approved for the 2018/2019 school year to stay on the program. If a new application is not approved for the 2018/2019 school year, your student's status will return to full paid effective October 1, 2018. Free and reduced forms are available on the Food Service tab on the Bordentown website. Completed forms need to be returned to their homeroom teacher.

All menus will be posted each month on the Bordentown Regional School District website under the Food Service tab. It is also available on each school's link.

Our pre-payment on line service is MySchoolBucks. You can send money into school with your student to have it manually put on your students account or you can go to [www.myschoolbucks.com](http://www.myschoolbucks.com) . All you will need to set up an account is a student ID number. More detailed

Information about my school bucks is also available on the Food Service tab on the Bordentown website. You can also see what your student eats each day when you set up an account.

In addition to breakfast and lunch we have a limited number of snacks. Once lunch service is complete snacks are offered. All our snacks are also regulated by the school lunch program and meet all federal requirements. Snacks are all \$1.25 or less in price.
