

Share the Love!

NEHS (National Elementary Honor Society) is hosting a collection drive for the Army's Fischer House in San Antonio.

The Fischer House is within walking distance of the hospital at SAMMC and provides a temporary home, filled with warm, caring people who help family members endure the stresses associated with a loved one's serious medical condition.

Families do not pay to stay at the Fischer House so they rely heavily on donations to keep families comfortable.

We will be collecting items to help show military families how much we care. We are asking you to help us "Share the Love" and show your support for our military families by donating one or more items listed on the back of this letter. NEHS students will deliver the collected items to the Fischer House, and will take a tour of the facilities, later this month.

Collections will be taken until Wednesday, February 20th.

NEHS thanks you for helping to "Share the Love!"
