

CLUB MID NEWS!

SEPT/OCT 2018

Welcome again! Thank you for choosing Club Mid for your after school needs. Our philosophy is for Club Mid to be a place where the students can relax, catch up on homework, make friends and have new experiences. That being said we have a structure in place to encourage creativity, positive social interaction and taking care of homework. So far this year has gotten off to a very good start. The students have adapted quickly to our structure and seem comfortable in our classroom. They have a great mix of energy and personality.

Listed below is our daily schedule. These are the options we provide. These activities are encouraged but not mandatory. Homework supersedes all activities and help is available through our staff and the computer lab. Please let me know if there is any way we can help. I can contact teachers and counselors for extra guidance in helping the students stay on track.

Future thoughts-
-We would like to get involved with a charity for the year and would appreciate your suggestions.
-We cook once a month and would love any simple recipes you have to share. Please consider we have limited heat sources and no oven to use.
-We are collecting plastic bottle caps and plastic lids for future art products

- Parents:
- Sign out
 - Please check the lost and found
- Students:
- Be Kind
 - Place your belongings on/between the racks

Club Mid is closed on half days and district no school days. We will be closed on Wed., Oct. 26, for conferences.
