March 14, 2020

Dear Parent/Guardian,

I am pleased to inform you that Coloma Community Schools will be providing meals for **all** our students, regardless of grade-level, during the 3-week mandated school closure from March 16 - April 3. Our food service department will be working with our transportation department to deliver these meals, breakfast and lunch for each day of the closure.

Our drivers will be delivering food to students who normally ride the bus at their normal bus stops on Mondays where they will deliver 3-days' worth of meals and on Thursdays where they will deliver 4-days' worth of meals. Buses will run their normal routes and the delivery times will be the same as if it were a Delayed Start so kids do not have to be out in the dark. Students need to be at their bus stop to get their meals.

If your student walks to school, drives, or is a car rider/parent drop off, your student can pick up his/her meals in the Coloma Intermediate parking lot from 10:00 am - 10:30 am on Mondays and Thursdays.

We are very excited to be able to offer this opportunity to our students during this difficult time. If you have any questions related to this program, please feel free to contact our Food Service Director, Shelley Mazigian at [smazigian@ccs.coloma.org](mailto:smazigian@ccs.coloma.org).
