

Aloha Bronco 'Ohana!

We are in the home stretch of the 2018-19 school year. This year has gone by in a blink of an eye. We've had a busy year of learning and fun activities.

During the Spring, Waimea Elementary School went through its first WASC (Western Association of Schools and Colleges) Accreditation. And we were excited to hear the school was granted a Six-Year Accreditation Status with a Mid-cycle Two-day Visit. Congratulations and MAHALO to all who participated in the process, we appreciate the time and effort everyone put in for the school. MAHALO!

"You have brains in your head.
You have feet in your shoes.
You can steer yourself
any direction you choose.
You're on your own.
And you know what you know.
And YOU are the one
who'll decide where to go..."
