

# EduCare Foundation

Our EduCare staff members are caring educators who understand that every student has the right to reach his or her full potential. Our after school programs - presently conducted at 16 Los Angeles Unified School District (LAUSD) high schools, 1 Lynwood Unified School District (LUSD) high school, and 1 LAUSD middle school - focus on academic, enrichment and recreation activities funded by a 21st Century Community Learning Center ("21st CCLC") grant.

We understand that low self-esteem, doubt, fear, and uncertainty can often be the greatest barriers to a student's achievement, so we encourage our students to believe in themselves, and provide them with the tools they need to succeed. Our programs are designed to give students the opportunity to develop their unique abilities, build relationships and find relevance in their educational experience.

Our activities are unique to each school and include homework assistance & tutoring, academic enrichment, structured fitness classes and performing & fine arts activities. EduCare goes far beyond simply providing a safe space for students after school, offering many opportunities for learning and leadership.

## OUR MISSION

To **inspire** and **empower** young people to become responsible citizens, compassionate leaders, and to live their dreams.

# Educare Staff

Current Educare Staff at Sylmar Charter High School as of 8/16/19
