

3rd Grade Summer Reading

Required

The primary goals of our summer reading program are to promote a love of reading for pleasure and to encourage reading continuity as a bridge to the next school year. In order to make summer reading a meaningful experience for our students, the entire grade will read the same book.

Rising 3rd graders need to read How to Be Cool in the Third Grade by Betsy Duffey and be prepared to take an AR test for a grade on the first week back to school.
