NOTRE DAME
CATHOLIC SCHOOL

“PRINCIPALLY SPEAKING”

Dear Parents,

This weekend during Mass, we will be asking for a second collection to support Notre Dame Catholic School’s Guardian Angel Scholarship program. All donations go directly to our school to provide tuition assistance to families in need. The number one reason parents choose not to send their children to Catholic school is COST. Guardian Angel helps to make this choice more affordable to over 40% of our families.

Why Notre Dame Catholic School? We have a tradition of academic excellence in a “spirit-filled” family atmosphere in a Christian environment of serving others. Please consider donating through the second collection this weekend or you can also go to our school website, www.notredameschool.cc and click on “On-line Giving”. Thank you in advance for making a generous donation to support the Guardian Angel Scholarship program at Notre Dame.

Blessings,

Sandi Killo, Principal

Our Altar Servers have served faithfully this school year for our Masses and especially the Funerals that we have had. Mrs. Dorothy Cass, our Director of Liturgy for Notre Dame Church would like to say THANK YOU to our altar servers from **Grades 5th thru 8th** and treat them with an Ice Cream Sundae next **Wednesday, May 9th** during the students lunch time. Thank you Altar Servers!

Middle School Exams 6th thru 8th Grades May 22 thru 24, 2018

Class review will be on Monday, May 21st! We ask that all students be present during final exam days as these tests will be difficult to make up. Parents we ask that you please do not schedule any doctor or other appointments during this time. Thank you!!

Our Guardian Angel Application is available on our webpage at www.notredameschool.cc and in the school office. Please call the school office at 257-6707 for any assistance. Thank you!

Library News

For Turning in Books!

This week at the library has been talking with students about books which are out, contacting parents about missing books and celebrating **Book Week!**

I want to thank all the students and parents who are looking all over the place for book(s) that have been checked out! You all are a blessing! If you did not receive an email from me reminding your child of the book(s) he or she had checked out, then your child(ren)has/ have been cleared by the library. YEAH!!! I will give you a report next week on how closing the check-out portion of the library went.

In the coming weeks, we will be contacting the Comfort and Kerrville libraries to keep you connected with their programs. I will come in a couple of days a month to process books. So, if you would like to check out specific Summer Reading books, just come on by.

Book Week has been exciting! We voted to find the top books for each grade level. Results will be given after the finalist book discussion. Also as part of this week, the staff has been coming in and out of the library to take pictures with their favorite book. Next week we will have a Power Point presentation of the pictures and students can participate in the Guess the Teacher activity quiz of which staff member matches the picture with their favorite book.

Tuition Assistance Application: for the 2018-2019 school year is now opened. We encourage all families to apply. Please refer to www.hopeforthefuture.org.

FACTS determines that on **June 29th, applications for Final Round will be closed.** Please call the school office at 257-6707 for any assistance. Thank you!
