School Description

Herndon-Barstow Elementary School's Vision and Mission is aligned with the Central Unified School District's Guiding Principles.

Belief: Every student can learn

Vision: Every student is prepared for success in college, career, and community

Mission: Every student will engage in rigorous, relevant, standards-based instruction in every classroom, every day, to ensure student learning

Core Values: Character, leadership, innovation, and continuous Improvement

Herndon-Barstow (HB) Elementary School is located west of Highway 99 in northwest Fresno. It is part of Central Unified School District. The school's population is currently 687 students, 49.7% of whom are Socio-economically disadvantaged.

Herndon-Barstow Elementary School houses many special populations. Fresno County Office of Education operates an severely emotionally disturbed classroom and an autism classroom. These students range in age from kindergarten through sixth grade. Central Unified has one State preschool program on the campus for four-year-olds, which serves two groups of twenty-four students. Herndon Barstow also houses Central Unified's Elementary Opportunity Program.

The goals identified in this School Plan were established after reviewing multiple measures (ie. District Benchmarks, Fountas and Pinnell, Accelerated Reader and ST Math data). The data reflects the students' current performance levels, the current instructional practices of the teachers, and the beliefs and behaviors of our population and community. An in-depth analysis was made by reviewing various multiple measures to review the progress of the significant subgroups results, focusing specifically on the English Learner (EL), Foster Youth (FY), and Socio-economically disadvantaged (SED) subgroup results in English Language Arts (ELA), and, Mathematics. HB continues to work hard to ensure that all targets are met to ensure academic improvement.

Our primary focus with staff development and professional growth is geared toward implementing "best first instruction." Instructional strategies include, but are not limited to, Common Core State Standards (CCSS) student engagement strategies, the 21st Century Skills, the 8 Math practices, Guided Reading, engaging students in rigorous, relevant, standards-based instruction, checking for understanding, using academic vocabulary, and the infusion of student technology. This will be accomplished using core materials and assessing students for mastery.

The School Plan for Student Achievement was created with the input of SSC, School Site Leadership, ELAC, staff members, Student Council, and various other stakeholders. This input was extremely important as the categorical budget was formed to expend all of HB's funds: Title I Part A: Allocation; LCFF; and ASES funds. The current budget for Herndon-Barstow Elementary School is very healthy and will be expended for the purpose of improving student achievement, building teacher capacity and providing support for our beliefs and behaviors to ensure that "every student is prepared for success in college, career, and community" by ensuring that "every student will engage in rigorous, relevant, standards-based instruction in every classroom every day to ensure student learning".

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Central Unified Schools maintain current and standards-aligned instructional materials in good repair, for all students. Materials are locally adopted and reflect programs currently approved by the State Board of Education. All materials currently adopted reflect the most recent SBE adoptions and support the current California Frameworks.

Every student, including English Learners, Special Education, and other special populations have their own textbook. In the case of class sets, those sets augment individual texts that have been issued to individual students. These class sets are made based on a commitment of the district administration and the governing board and are not the product of any state requirement.

All instructional materials are subject to a school and district review process. Materials may be piloted and all materials that are selected and recommended for local adoption are reviewed by teachers, administration, and any parents who wish to review the materials. The Central Unified Board of Trustees review and adopt based on the recommendation of the district adoption committees and Educational Services.

School Facility Conditions and Planned Improvements (Most Recent Year)

Herndon-Barstow sits on 11.6 acres and 60,460 square feet. It contains 38 classrooms at 39,693 sq ft, and 14 restrooms at 2,599 sq ft. The oldest main building was built in 1967. Current enrollment is 682. The table below shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT). This inspection determines the school facility's good repair status. District maintenance staff ensures that repairs necessary to keep the school in good repair and work orders are completed in a timely manner. For all items inspected that were found to not be in 'good repair', a work order has been created and maintenance will be done before the end of the 2018-19 school year. Maintenance items will be prioritized so that student safety is not compromised. At Herndon Barstow Elementary, repairs completed or planned include repair of interior surfaces (ceiling tiles, carpet, formica trim,), electrical (broken switches), safety (fire extinguisher, broken window). The overall rating for this school is 'good'.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	53.0	60.0	40.0	44.0	48.0	50.0
Math	45.0	53.0	28.0	31.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parent volunteers are encouraged to be on campus or help from home as much as possible. Parents are cleared through the district wide Raptor system and are fingerprinted when they volunteer more than 20 hours in one year. The administration encourages on-going communication with parents. The weekly Blackboard Connect automated phone dialer for messages, weekly classroom newsletters or Bloomz App, parent/teacher conferences, telephone contact and Parent Portal provide contact with the home. The school also utilizes flyers and notices to make important reminders via Peach jar on the site website and Xeroxed copies that are sent home. Parents participate in meetings that evaluate the academic progress of the school and students, and provide input for school improvement in the following committees or meetings:

- Annual Title 1 Meeting
- Parent Input Meetings with Principal and GIA
- Parent Workshops
- School Attendance Review Board (SARB)
- English Learner Advisory Committee (ELAC)
- Student Success Team (SST) Meetings
- 504/Individual Educational Plan (IEP) Meetings
- Parent Involvement Events (ST Math, Jiji, EL, Lexia, etc.)
- School Site Council (SSC)
- GATE Parent Meetings
- Parent/Teacher Association (PTA)

Families are encouraged to attend and support Back to School Night, Open House, Family Events (Carnival, Pastries with Parents, Goodies with Grandparents, Cookies and Cocoa with Santa, School Plays, Musical Concerts, Art Exhibits, etc.), and various parent and student events and fundraisers throughout the year. Parents are notified of their child's recognition at or participation in awards ceremonies, special events, academic competitions and evening performances. Parents are involved in site and district level committees such as DELAC, DAC and the Superintendent's Advisory Council. Invitations are extended to parents for award ceremonies, classroom functions/programs, annual carnival, and student activities. Parents are invited to attend informational meetings regarding History Day, Science Fair, GATE, Peach Blossom, Young Authors Fair, and others. These events are to inform parents as well as encourage involvement in their child's education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Site Emergency Response Plan has been prepared in compliance with Central Unified School District Governing Board Policy and California Administrative Code, Title 5, California Education Section 560, which requires all public schools, kindergarten through community college, to have written emergency response plans which will be reviewed at least annually by the local governing board.

The plan is devoted to the welfare and safety of the students of Herndon-Barstow Elementary School during school and after school program hours. It includes a procedure whereby the school could be used, under disaster conditions, as a community resource for the care of people.

The major objectives of emergency response procedures are to save lives and protect property in the event of disaster. This plan has been developed with these objectives in mind. Drills are held on a regular basis. Two-way radios and surveillance cameras have been provided.

The plan is updated each year. Revisions were completed August 2018 and shared with the staff. The plan includes all of the components required by the local, State and Federal Agencies in cooperation with Homeland Security and law enforcement. In addition, items will be more comprehensive than in previous years. Parents are made aware of the Site Emergency Response Plan during School Site Council, English Learner Advisory Council, Parent Teacher Association, staff meetings and on our automated calling system (Blackboard Connect). A copy is on file for all to view in the front office of the school site.

Professional Development provided for Teachers

Professional Development is scheduled for early dismissal days. Students are dismissed at 1:30 pm on Wednesdays to provide the teachers with 2-3 hours for the following:

- * District directed staff development (program or curriculum specific)
- * Site based staff development (determined by the site needs assessment and survey conducted annually)
- * Grade level planning time (direction determined by student assessed needs)(direction provided by site administration at leadership meetings as needed)
- * Professional Learning Communities
- * Conference attendance by site administrative suggestion or teacher choice
- * Instructional Support Coach (ISC) mentoring

38 Wednesdays are devoted to staff development throughout the school year. Teachers participate in staff development during the school year and throughout their vacations. Identified staff development needs are also provided for by staff attending conferences and trainings as appropriate. Support is provided via substitutes covering for conferences with the ISC, GIA, and principal, for co-planning and co-teaching sessions. Individual staff members participate as site representatives at district advisory, adoption selection and articulation committees.

Types of Services Funded

Herndon-Barstow Elementary School uses data to assign students to high-quality intervention programs. Each program is described below. Students who meet multiple categories receive services as needed.

English Learners:

English Language Development (ELD) and Accelerated ELD students who are determined to be an English Learner are serviced in a pullout / push in program (AELD) or by classroom teachers in English Language instruction. They are serviced in groups by ability level by CLAD certified teachers and instructional aides.

Educationally Disadvantaged Students (EDY/Below Grade Level):

Students who need core replacement in English Language Arts instruction (intensive intervention) are given intervention with Language!, an approved intervention program. These students receive 90 minutes of instruction daily in Language!. They receive access to grade level core through activities in the regular classroom utilizing the Universal Access materials.

All students receive intervention from their grade level teachers each week for a minimum of 30 minutes a day, five times per week, in a flexible group. These groups are determined by common core assessments in the standards for their grade level core. Information is retaught to assist the students in mastering the core standard utilizing core ancillary materials. This is supplementary to instruction in the core curriculum.

Kids Inc. is HB's after school program. This program services first through sixth grade students five days per week. Services and activities include academics, enrichment, recreation and snacks. Services are provided by a combination of certificated and classified staff. Groupings are by grade and/or instructional levels. Students receive services according to their needs as referred by staff based on data.

Gifted and Talented (GATE):

Gifted and Talented Education (GATE) students are provided differentiated opportunities for learning by the classroom teacher. In addition, the students meet weekly with an itinerant GATE teacher to participate in a thematic, supplemental enrichment program based on a depth and complexity model. The program prepares the students emotionally and intellectually for advanced career opportunities. The components of the program focus on values and attitudes, multi-sensory approach to learning, time management skills, research and study skills, career education, parent education/involvement, and academic curriculum.

Students with Disabilities (Special Education):

SAI and Speech/Language Specialists work with students in a pullout program to meet individual needs specified on their Individual Educational Plans (IEP).

Alternative Support Services are available to qualified students to receive additional tutoring type services during the school year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.
