

HGECC Private Family Group

Dear families,

In an effort to provide continued learning during school closure, the Grandview C-4 school district is enacting a plan to utilize private Facebook groups as the primary method for delivering information and instruction to parents and students in grades PK-6. Although many platforms exist that could serve this purpose, Facebook was chosen because of its ease of use and the familiarity the majority of people have with it.

We are asking that parents join our private Facebook groups

1. Building Level Group- This group will be utilized by principals and teachers to provide important updates and information to the whole building community

Please note that students under the age of 13 are not able to create a Facebook account. We ask that parents either utilize an existing account or [create a new free account](#) specifically for this purpose.

Please click on the link below to join the HGECC group for your student(s).

[Highgrove](#)

Please keep in mind that this form of teaching and learning is new to the majority of teachers, students, and parents. Teachers are working diligently to adjust very quickly to this form of instruction. As such, it may take a couple of days for things to begin running smoothly in these Facebook groups. If you have questions or need assistance please contact the building.

For up to date information regarding COVID-19, distance education, meals, and more, please refer to the following webpage on a regular basis.
