Dear Parents/Guardians:

This has been an extraordinary period for all of us. I want to begin by simply saying that my thoughts are with you all, and that I hope this message finds you and your families well.

This is a very stressful time for all and I want to extend counseling services to any student in need. Parents/guardians, I'm available to speak to you as well to provide the support you need to help your children through this difficult time. I am available daily to provide phone or virtual counseling sessions. Please feel free to reach out to me via email with any questions, concerns, or needs at anesbihal@unionbeachschools.org. You can also find helpful resources on the Memorial school website under the Guidance tab. I encourage you and your children to reach out even if it is just to check in or say hello.

I hope that everyone stays safe and healthy during these uncertain times, and if there is anything that I can help with please, do not hesitate to reach out.

Allison Nesbihal
School Counselor
