

OLG NEWSFLASH

God is good, all the time... All the time, God is good!

What's the Buzz on Mosquitoes?

Yes, the people on the street are “abuzz” about the recent arrival of unwanted invaders in La Habra, Fullerton, Brea, and truly throughout Orange County. The Orange County Department of Health and the OCDE have kept all schools informed of best practices for reducing mosquitoes and other stinging insects on campus. Because we are vigilant regarding the health and safety of our students, Our Lady of Guadalupe School even invited a recent inspection by Vector Control. We received an excellent report and are in good shape. We invite all parents that any grass, water, or trees should be inspected, as well as play areas. Be sure not to harbor any standing water at your home...empty pots, watering cans, and wading pools. Together we work for your child's safety and comfort.

The Cookies are Coming... The Cookies are Coming!

Our Parents' Association has determined that everybody loves a great cookie, cheesecake, or sweet! The PA also knows that the holidays are just the occasion to serve such delights.

Sssooo... get ready for the fundraiser to beat all fundraisers. Beginning on Wednesday, October 24th, all students and families will have the opportunity to support our school selling pre-mixed cookie fixings and making some dough for the school. The price per portion is fair and the product is none other than Mrs. Fields.

Tell Grandma and Grandpa, Uncle Bob and Aunt Mary to save some refrigerator or freezer space because “the goods” will be delivered Monday, December 3rd. Watch for that pre-order period from October 24th-November 7th.

Trunk or Treat... an Annual Fete

It is almost time for that colorful and crazy day that all children love... Halloween. As a Catholic School, we view this from the tradition of “All Hallowed Evening”, the day before all Saints', then All Souls' Day. It is a good time to see the ghouls and boys parade our grounds seeking treats. Be a part of the fun on October 31st.

To prepare well, please read all of the guideline information on the enclosed flyers regarding our Trunk or Treat morning. All of your questions will be answered. This info will also be posted on the website within 24 hours. If you wish to participate fully with a “TRUNK” to share, we have @ 24 spaces that Mrs. Manzo will also post for “first come...first served” sign-ups.

Parent Teacher Conferences

Now that we are well into the First Trimester, it is time for each family to meet with their respective teacher. Many teachers even invite the student in to be an active participant and lead the conference. In any manner, Conferences are an extremely valuable time for an exchange on your child's social, spiritual, and academic progress. Family thoughts and insights from the professional educator can produce a set of goals for the year that will benefit your child. We each hold a piece of the puzzle.

The sign-ups will begin on-line through Sycamore. This opens on Thursday morning, October 11th. It will be a on a first-come first-served basis so don't wait too long.

Thank you for another wonderful year of La Fiesta! The Game Booths and Cakes and Talent Show were fabulous.
