August 2019

Dear Freshman Parents & Students,

Welcome to Spotswood High School, Class of 2023!

We're very excited to welcome our newest Chargers! The transition to high school is a big step, and we know that you're both anticipating the first day of school, and you're probably also more than a little nervous. To help make this an easy transition, we are hosting a Freshman Orientation Day on **Thursday, August 22 from 8:30am to 12pm**. We ask that you please arrive no later than 8:15am.

The following is an overview of the areas we may cover during orientation:

- Breakfast will be provided, compliments of the PTA, along with an introduction to our staff.
- Opportunity to meet and socialize with the members of your graduating class.
- Dissemination of your schedules and hall locker combinations.
- A review of our student handbook, along with expectations and important dates throughout the year.
- Presentations by your class advisors, our school counselors, our School Resource Officer, and upperclassmen on a variety of topics to aid you in transitioning to the high school academically and socially.

We ask that parents drop their child off at entrance #1 (in front of the Cafeteria). Please plan to pick your child up promptly at 12pm. While this orientation is for students only, we encourage parents to read through the materials your child will receive that day, and plan to attend Back to School Night on September 19th.

Enjoy the rest of the summer and we'll see you on August 22!

Warmly,

Amy Jablonski
Principal
