

John Tynes Scholarship Application 2019

Dear Student,

Mr. John Tynes was a formative leader in the early development of the Placentia community. Like many of us, Mr. Tynes struggled with a disadvantage in his life. In spite of this physical challenge, Mr. Tynes profoundly impacted the lives of thousands of Placentia youth. Mr. Tynes was a teacher and coach at Valencia High School for 25 years. He later became Athletic Director and then Superintendent of this school district. He was active in promoting the betterment of the City of Placentia for the people and served as Mayor several times. In the spirit of this courageous and compassionate man, the Tynes' family and friends wish to continue to reach out to Placentia's youth in honor of Mr. John Tynes.

The John Tynes Foundation will provide four scholarships to Valencia High School Students who have:
