

# UTSA TOP SCHOLAR

Knowledge • Leadership • Service

The UTSA Top Scholar program is a merit based scholarship combined with personalized experiences in academics, leadership, and community service. Those selected to be Top Scholars will receive a four-year scholarship that includes funding for tuition, fees, and room and board. Recipients also receive support for internships and study abroad programs, priority registration privileges and are auto-enrolled in the Honors College.

Join us for an information session to learn more about being a UTSA Top Scholar, eligibility requirements, and meet with Director of the program. High school juniors in the Top 10% are encouraged to attend.
