

Dear Parents:

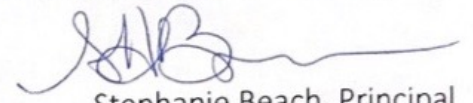

Your child will be taking our state assessments starting *tomorrow*! By working together, we can make your child's test experience positive and stress free.

Here are some suggestions of things you can do to help your child succeed:

1. Make sure your child gets a good night's sleep!
2. Have your child eat a healthy breakfast at home or at school!
3. Make sure your child is here and on time!
4. Gently encourage your child to do his or her best!

With support from home and at school, your child will feel confident and encouraged to do their best!

Thank you for your help and support!
