

REFLECTIONS

Do you enjoy art, music and dance or have an interest in writing, film production, taking photos? Then join us and have fun unleashing your inner artist through this year's Reflections Art Contest!

**Reflections is a National PTA Art program that encourages students to pursue artistic expression through participation. The Reflections program provides a venue for students to create & be recognized for original works of art based on the year's theme.*

This year's theme, "Look Within," calls for your own unique interpretation through the arts including film, photography, fine art, music composition, creative writing, and dance.

Entry forms will be sent home or can be picked up from the main office. Submit your artwork by Tuesday, October 22.

Entries will be displayed and participants and their families will be invited to a pizza lunch on November 13. Every participant will receive a prize!
