

HOW PAIN WORKS

presented by Ken Tanpinco, PT

Be a part of the solution to the opioid epidemic.

Pain is a normal human experience but living with persistent, life-altering pain is not. Learn how pain works for your own well-being and to help your child cope with pain when it occurs.

Wednesday

October 17th

7:00 - 8:00 pm

in the Hall at St Pius V School and Church

• Parents who attend will be granted 1.5 service hours!

INTERNATIONAL
SPINE & PAIN
INSTITUTE

The International Spine and Pain Institute (ISPI) is a post-professional education organization dedicated to creating and promoting an evidence-based, best practice culture within the healthcare system, with an emphasis on pain science and the current pain epidemic.
