

REMINDER

GT Field Trip

In GT class, your child has been studying about dinosaurs and fossils. We are taking an opportunity to have an outdoor learning experience.

The **1st through 3rd grade GT students** will attend a field trip to **Dinosaur World** in Glen Rose on **Tuesday, April 30th**. We will be leaving school at **8:00 am** and we are planning to return to school by **2:30 pm**. We will participate in a hike, discovering different dinosaurs, have a fossil and bone dig, and explore the museum. Please make sure your child arrives at school on time that day. Your child will need to bring a lunch for the trip. Our group will be outside and exploring so please make sure your child wears comfortable clothes and shoes. Parents are welcome to attend. You will have to pay admission upon arrival and travel in your own vehicle.

I would like for all of the students to try to wear a navy shirt. It helps if our whole group can wear the same color. Please text or email me if you have any questions or concerns. Emily Coffee
