

FULLERTON SCHOOL DISTRICT SURVEY

Fullerton School District Wide Survey for all Staff, Students & Parents

Starting on Monday January 14th and continuing through Friday January 25th the Fullerton School District (FSD) will be asking all of its 3rd-8th grade students, all parents, all staff and community members to complete an online survey. The students will complete the survey in class because it is different than the parent survey. FSD is using a survey tool called YouthTruth which uses nationally normed survey questions. The surveys run about 15 minutes. Valencia Park thanks you for assisting us by completing the survey and sharing your thoughts with us.
