Sabinal Secondary Campus Campus Improvement Council 2018-2019

The following persons will serve on the site-based decision-making committee during the preparation of the campus improvement plan for school year 2017-18. They are committed to carrying out the school’s mission statement and to developing and implementing a well-rounded instructional program that will prepare students to become productive citizens in a democratic society.

Council Positions	Council Members	Curriculum Areas
John Lopez	Elected Teacher	HS Ag. Science
Joe Thomas	Elected Teacher	HS Social Studies
Cody Clark	Elected Teacher	MS ELAR
Douglas Flansburg	Elected Teacher	HS Science
Steve Alvarado	Chairman	Principal
Cissy Trevino	Parent Member	Parent
Sean Johnston	Business Member	Business
Cecilia Reyes	Non-teaching Member	Nurse

Annette Sams	Non-teaching Member	Counselor
Monte Benson	Community Member	Community
Michael Neuman	District Member	Assistant Superintendent

Mission Statement

Making Excellence an Everyday Event.

State Goals and Objectives

2018-19

GOAL 1 The students in the public education system will demonstrate exemplary performance in the reading and writing of the English language.

GOAL 2 The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.

GOAL 3 The students in the public education system will demonstrate exemplary performance in the understanding of science.

GOAL 4 The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

OBJECTIVE 1

Parents will be full partners with educators in the education of their children.

OBJECTIVE 2

Students will be encouraged and challenged to meet their full educational potential.

OBJECTIVE 3

Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

OBJECTIVE 4

A well-balanced and appropriate curriculum will be provided to all students.

OBJECTIVE 5

Qualified and effective personnel will be recruited, developed and retained.

OBJECTIVE 6

The state's students will demonstrate exemplary performance in comparison to national and international standards.

OBJECTIVE 7

School campuses will maintain a safe and disciplined environment conducive to student learning.

OBJECTIVE 8

Educators will keep abreast of the development of creative and innovative techniques of instruction and administration using those techniques as appropriate to improve student learning.

OBJECTIVE 9

Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

District Goals and Objectives

2018-2019

1. Maintain high quality instructional practices across the district that results in improved academic success.
2. Empower students to respond appropriately to academic and social challenges as they are faced in our schools and in our community.
3. To ensure that each student successfully completes graduation requirements and receives guidance and support in the post graduate/technical school process.
4. Cultivate opportunities for student participation that extend beyond the classroom

CORRELATES OF EFFECTIVE SCHOOLS

1. SAFE AND ORDERLY ENVIRONMENT

In the effective school, there is an orderly, purposeful businesslike atmosphere, which is free from threat of physical harm. The school climate is not oppressive and is conducive to teaching and learning.

2. CLIMATE OF HIGH EXPECTATIONS FOR SUCCESS

In the effective school, there is a climate of expectation in which the staff believes and demonstrates that all students can attain mastery of the essential school skills and that they, the staff, have the capability to help all students do so.

3. INSTRUCTIONAL LEADERSHIP

In the effective school, the principal acts as instructional leader and effectively and persistently communicates that mission to the staff, parents, and students. The principal understands and applies the characteristics of instructional effectiveness in management of the instructional program.

4. CLEAR AND FOCUSED MISSION

In the effective school, there is a clearly articulated school mission through which the staff shares an understanding of a commitment to the instructional goals.

5. OPPORTUNITY TO LEARN AND STUDENT TIME ON TASK

In the effective school, teachers allocate a significant amount of classroom time to instruction in the essential skills. For a high percentage of this time students are engaged in whole class or large group learning activities that are planned and teacher directed.

6. FREQUENT MONITORING OF STUDENT PROGRESS

In the effective school, student academic progress is measured frequently. A variety of assessment procedures are used. The results of the assessments are used to improve individual student performance and also to improve the instructional program.

7. HOME/SCHOOL RELATIONS

Parents understand and support the basic mission of the school and are made to feel that they have an important role in achieving this mission.

Every Student Succeeds Act of 2015 (ESSA)

Every Student Succeeds Act of 2015 (ESSA), which amends the Elementary and Secondary Education Act of 1965 (ESEA), recognizes that all children can achieve the same high standards and must be provided the education they need to reach those standards. Successful student academic performance depends upon the opportunity to attend schools that:

- Provide instruction to all students that, based on the findings of solid research, will lead to gains in achievement for all students;
- Have highly qualified teachers and principals;
- Provide a learning environment that is safe and drug free, and conducive to learning; and
- Are accountable to the public for results.

ESSA Goals

1. Performance goal 1: All students will reach high standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
2. Performance goal 2: All limited English proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
3. Performance goal 3: All students will be taught by highly qualified teachers.
4. Performance goal 4: All students will be educated in learning environments that are safe, drug free and conducive to learning.
5. Performance goal 5: All students will graduate from high school.

Components of a Schoolwide Program

1. Needs Assessment - A comprehensive needs assessment that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards.
2. Schoolwide Reform Strategies - Strategies that:
 - provide opportunities for all children
 - use effective methods and instructional strategies
 - include strategies to address the needs of all children, but especially the needs of low-achieving children.
3. Instruction - Instruction by highly qualified teachers.
4. Professional Development - High-quality and ongoing professional development for teachers, principals, and paraprofessionals to enable all children to meet the State's academic standards.
5. Highly Qualified Teachers - Strategies to attract highly qualified teachers to high-need schools.
6. Parental Involvement - Strategies to increase parental involvement, such as family literacy services.
7. Transition from Early Childhood - Plans for assisting preschool children in the transition from early childhood, such as Head Start, to local elementary programs.
8. Site-Based Decisions - Measures to include teachers in the decisions regarding the use of academic assessment, provide information on, and to improve, the achievement of students and the overall instructional program.

9. Remedial Help - Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards shall be provided with effective and timely additional assistance.

10. Program Coordination - Coordination and integration of Federal, State, and local services and programs.

SABINAL INDEPENDENT SCHOOL DISTRICT
District Title 1 Parental Involvement
2018-2019

I. Sabinal ISD administration, faculty, support staff, parents and community members shall develop, agree upon and distribute to parents a written Parent Involvement Policy and School-Parent-Student Compact. The policy will set expectations and establish a framework for quality parental involvement participation. This will be achieved as part of the district's improvement plan process.

The district values the role parent's play as their children's first teacher and the influences of their continued support toward enabling their children to meet the state's student performance standards.

The following policy is in compliance with the legal requirements of the **Every Student Succeeds Act of 2015 (ESSA (PL114-95))**. This policy will be available to all parents on the SISD website and at the Central Office.

II. The Title I Parental Involvement Policy and School-Parent-Student Compact will be reviewed and distributed to parents in the campus Parent/Student handbook during the first week of school or when new students register.

III. An Annual Title I public meeting will be held in the Fall to inform parents of the district's participation in Title I, Part A and its requirements. The parents will also be informed of their right to be involved.

IV. The district will offer a flexible number of meetings, special called and/or campus-level to ensure opportunity to parents in the planning, reviewing and evaluation of Title I, Part A programs, including the Parental Involvement policy and School-Parent-Student Compact. Parent's suggestions and recommendations will be addressed as practicably as possible. In addition, the School-Parent-Student Compact will outline the means by which parents, school and students will share responsibility for improved student academic achievement and mastery of the state's high standards. An annual review and revision, if necessary will be part of the district and campus-level improvement plan process. Although signatures are not required, parents are urged to sign and discuss the compact with their children and teachers.

V. The school district will make every effort to communicate with parent's information about Title I, Part A programs, descriptions and explanation of the curriculum, academic assessments used to measure student progress, and proficiency levels students are expected to meet. All information oral or written related to school parent programs will be provided in the format and language that parents can understand.

VI. The district's capacity to build a strong partnership with parents will be achieved by offering opportunities for parents to provide input and make recommendations regarding Title I programs. In addition, the district will assist parents in understanding the state's academic content and achievement standards, state and local assessments and how to monitor their children's progress. These opportunities will be addressed at special-called meetings, committees and trainings. In addition, parenting skills workshops and opportunities to volunteer will be provided for parents. Information on the "value and utility of parent's contributions," and on how to reach out and communicate with parents as equal partners in the education of their children will be scheduled and provided to staff during campus faculty meetings or other campus-level initiatives.

VII. The district to the extent feasible and appropriate will coordinate and integrate parent involvement programs and activities with Headstart and community agencies and private schools when applicable.

VIII. The district will ensure full opportunities for the participation of parents with limited English proficiency, disabilities and parents of migratory children by assuring that notices, information and reports are in a format and to the extent practicable, in the language that the parents understand.

IX. Parents will participate in the annual evaluation of the content and effect of the district Parental Involvement Policy and practices. They will also consider:

- Increasing parent involvement
- Identifying barriers that limit parent participation
- Identifying ways to overcome barriers which may limit participation by parents
- Review and revision of parental involvement policy
- Review and revision of School-Parent-Student Compact
- Academic quality of Title I, Part A schools

The annual evaluation findings will be used to revise and design parent policy practices and strategies to improve parental involvement at the district and campus levels.

Sabinal ISD Retention & Recruitment Plan

Staff

It is the goal of the Sabinal Independent School District to have the highest qualified teachers and support staff for our students. It is the goal of the district to have certified teachers in all classrooms.

Staff Strengths:

Presently our staff is a solid mix of experienced and youthful teachers who possess the appropriate skills, knowledge and enthusiasm which provide an effective, well-rounded education. Sabinal ISD provides a positive and supportive work environment, competitive salaries and supplemental stipends, an adequate supply budget for instructional materials, the latest technological equipment, and newly renovated and modern facilities. According to the Texas Association of School Boards salary survey's, Sabinal ISD is one of the highest paying schools districts in Uvalde County and across the State.

Staff Needs:

A teacher shortage exists in our State, and competition for the best teachers is evident. Acquisition and retention of high quality teachers is a primary goal of the school district each year, as nothing influences educational opportunities for our students more than a high quality teacher. We provide our teachers quality, on-going training and professional development to support their pedagogical needs, and to improve academic achievement.

The recruitment and retention of high quality teachers is based on our district's comprehensive needs assessment as well as State educator guidelines. The following strategies are implemented in pursuit of the district goals and objectives within the District Improvement Plan (DIP) for recruitment and retention of teachers:

1. Provide positive, 21st century working environment.
2. Allocated funds for testing review sessions supporting additional teacher certifications.
3. Provide quality annual professional development.
4. Annual review and enhancement of the professional staff pay scales.
5. Provide teachers a \$3,500 stipend for critical shortage areas of instruction.
6. Provide teachers a \$1,500 stipend for holding a Masters degree in their teaching field, and \$1,000 in other educational majors.
7. Annual "longevity" benefit at a rate of \$100/year, to encourage staff retention.
8. Employer provided life-insurance policy.
9. Employer contribution to pension plan.
10. Employer contribution to group health plan.
11. Analyze data reported in the annual Program Compliance/Performance Report, ensuring low-income students and minority students are not taught at higher rates than other student groups by teachers who are not "highly qualified."

Sabinal ISD 2018-2019 Comprehensive Needs Assessment

Demographics

Sabinal ISD is an ethnically diverse school district with approximately 80.3% Hispanic, 18.76% White, 1.98% African American, 4.85% Native American, 0% Asian, and .88% Multi-Racial. 66.4% of the students on the campus are eligible for free or reduced price lunches under the National School Lunch program and 5.07% are limited English proficient (LEP). The number and percent of students from ethnic minorities, low-income families, and who are limited English proficient has remained relatively stable over the last several years. 70.7% of the student body is considered economically disadvantaged and 13% are identified as at-risk.

The Sabinal Independent School District serves a community of 1,774 as a public education institution. As with many small communities, Sabinal ISD is the largest employer in the community. The district is composed of three campuses that include an elementary school with an enrollment of 200 students, a middle school with an enrollment of 100 students, and a high school with an enrollment of 161 students. The alternative education

program for disciplinary purposes provides services for students throughout the year. The regular school day operates from 7:45 AM to 3:40 PM daily, with an annual total of 79,968 minutes of regular instruction.

Student achievement

The primary instrument for determining student achievement is the State of Texas Assessments of Academic Readiness (STAAR). Students who receive special education services are tested through the STAAR, and STAAR-A (Alternative). Students who qualify for assistance under English as a Secondary Language (ESL) are assessed yearly by the TELPAS instrument. Students are locally assessed by two TEKS Based Assessments and one released STAAR test which are used as a diagnostic tool throughout the year.

Data provided by the Texas Academic Performance Report (TAPR) show overall academic improvements in nearly all student sub-populations across the District compared to previous year, however student achievement is slightly below State performance levels. In addition to student assessment measurements, the annual TAPR report provides additional attendance and dropout rates indicating higher than State averages in both areas.

This Campus Plan focuses on objectives and goals which address the weaknesses identified from these data sources. Results of the campus-wide comprehensive needs assessment disclosed a need to focus on the overall writing performance level of students at all grade levels. The primary purpose of the Sabinal Independent School district is to provide the best possible instruction, environment, facilities, teachers, support staff, and educational materials which will promote student achievement and success. The content of the District Plan describes the activities and strategies which lead to this end.

An addition of a part-time Math Instructional Specialist to provide intensive instruction in mathematics to individual or small groups of students, according to assessment data and provide support to implement effective strategies and best practices to ensure future academic success on the appropriate State assessments. In addition this position will monitor and report on student progress to the principal and to the math department. In the area of writing, a part-time tutor will be hired to provide support for academic improvement in writing.

School Culture and Climate

Students in the elementary are respectful and are generally happy to be on campus. Students are involved in student council, UIL, and other school sponsored activities.

Students at the secondary level are equally respectful and are generally happy with a high participation rate in extracurricular activities. In 2017-2018, 96% of the seniors graduated and majority of our students are planning on pursuing higher education. Participation in student council, leadership conferences, supplemental summer education opportunities, dual credit courses, Texas Virtual School Network, GeoForce, and UT Geology courses are being accessed by students in grades 6-12. NHS and NJHS membership has increased. The Sabinal High School Criminal Justice Program Participation of students who are using these hours of service for their NHS/NJHS service hours have benefited all students.

Curriculum, Instruction and Assessment

100% of the teaching staff are "Highly Qualified." At the secondary, all ELAR teachers are ESL certified and all core-content teachers are GT certified. All instructional staff was required to attend three days of professional development that was jointly agreed between the teacher and principal.

Staff will continue to be trained in disaggregating instructional data effectively using AWARE in Eduphoria; effective local curriculum based assessment procedures, and in the pedagogical relevance and differentiation of instruction. Training included, but not be limited to the following in the Fall of 2018: district curriculum, technology, Eduphoria, eChalk website management, other Promethean devices, online grade book, classroom management, general educational pedagogy, student behavior training, Google Classrooms, Google Docs, extensive TCMPC and GT training.

The District curriculum is the TEKS Resource System. The TEKS Resource System provides a curriculum management system that is aligned to the state-adopted standards (TEKS), allowing teachers to focus their time on students in the classroom. TEKS Resource System is designed to be used alongside district-approved instructional materials, such as textbooks, and is customizable to meet the needs of individual students. Designed to empower teachers, the TEKS Resource System helps teachers focus on student learning. The TEKS Resource System helps improve the costs effectiveness of schools by combining resources to develop the TEKS Resource System, reducing individual school cost and improving the quality of their system.

The Sabinal Secondary campuses are committed to the complete utilization of the Reading Plus Program to enhance reading and writing skills at all grade levels and content areas of this educational program. At-risk student assessment data has demonstrated levels severely needing accelerated and monitored instruction to enhance student reading levels from grades 6 through 12. It is the intention of the members of this campus to continue to have a clear insight and ongoing analysis of student performance levels specifically in the areas of reading and writing. It has been determined that support of vocabulary usage, reading comprehension and overall proficiency in reading skills, is needed to raise levels of performance in all tested and non- tested academic content areas.

The Reading Plus program has the potential to provide much needed exposure and access to literary texts that could help track reading proficiency and stamina to enhance reading accuracy. This initiative and commitment will be lead by members of the secondary ELAR departments as they utilize this program daily. In addition, students considerably at-risk will be scheduled in an additional reading intervention class. At the junior high level, all students will be supported through the reading and writing classes that they will attend on a daily basis. Furthermore, all other core and enrichment teachers will utilize this program at the minimum of two times per grading cycle to support writing skills across the curriculum.

Both the online system and support provided by Education Service Centers are customizable, allowing the district or school to personalize the content and services to meet the unique needs of schools and communities.

Family and Community Involvement

It is important to build a good parent involvement component to ensure a "buy-in" of the district's programs. The staff are expected to have a "customer service" attitude with all parents they encounters. With parental support, the district will be able to provide students an opportunity to fulfill their academic opportunities by engaging with others in a responsible behavior.

At the secondary, parents are engaged with the secondary campuses in the following parent organizations: Sports Boosters, Band Boosters, Cheerleading Boosters, Student Council activities and Agriculture Activities involving parents including the FFA, Campus Improvement Team members, Parent and Teacher Organization (PTO) and junior class parents.

Post-Secondary Readiness

Opportunities to maximize post-secondary learning opportunities for high school students have been added. Students will have the opportunity to obtain a Certified Nurse's Assistant certification upon graduation after taking a two semester course and successfully passing the certification exam. Opportunities to take dual credit classes have also been maximized with several options to take course work on campus including the use of adjunct professors from SWTJC and online format.

School Context and Organization

The campuses, as well as the district, provide several opportunities for student, parent, community and staff input through Site-Based Decision Making (SBDM) committees. The Campus Improvement Team (CIT) and the District Improvement Team consist of teachers, parents, community and business representatives. Annually curriculum, instruction, assessment, staff development, school calendar and budgets are discussed and approved by these committees. Students also have a voice through the Student Councils which meet with the principals on a regular basis. Community surveys regarding campus improvement and school calendars are used to gather data to drive decision-making.

Technology

Sabinal ISD continues to embrace the 21st Century Classrooms Model (Technology in the classroom).

Staff has been trained to use Promethean Board, Promethean Planet Tools, eChalk, Eduphoria, online grade book, PLATO, Texas Success, Google Classroom, Google Docs and AWARE.

Our equipment and training for our staff have enabled us to provide an exceptional 21st Century educational opportunities that are uncommon in many school districts. Our fiber-optics allow internet connections that are extremely fast, capable of supporting 1 Gbps connectivity and wireless connections throughout all facilities. We enjoy one of the best internet broadband widths of any school in the Nation. Our infrastructure now allows us to Podcast, Skype, and Video stream in all locations throughout our schools; this video streaming capability allows us to offer our students and staff opportunities to view UIL events without cancelling school. We all should be proud to provide these services to our students and staff.

Classroom hardware in all classrooms include: teacher computer, interactive white boards (Promethean Boards), student response systems, HD LCD projectors with integrated sound systems, documents cameras, and a minimum of 4 student use computers

We have equipped our schools with 3- iPad carts, 1- iPod Touch carts, and 9-Cromebook carts which allows us to make any classroom, or anywhere other location in our schools, a computer lab. Each classroom is equipped with 4-student use PC's, Promethean Boards, 4K Projectors with sound system, and document cameras. Gone are the days where a classroom is exclusively a computer lab, allowing greater flexibility of classroom assignments and access to computer labs. Each “cart” contains approximately 25 wireless devices, providing a near 1:1 ratio at the secondary level when needed.

ATTENDANCE

Long Range Goal: By May 2019 the percent of student attendance will increase to the State standard of 97.5%.

District Performance Objective: By May 2019 the district attendance rate will be 97%.

SBOE Goal Correlation 1-3

AEI 2

SISD Goal Correlation 1-4

Activities/Strategies	Resources	Person Responsible	Formative Evaluation/Date	Expected Outcome	Summative Evaluation/Date
1. Monitor attendance and report habitual absences to counselors and the principal	Staff time	Principals Attendance Clerks	Principal review reports on file from attendance clerks every week	Identification of potential dropouts due to attendance Student attendance is managed immediately, ADA is higher, fewer students in Summer School due to credit loss	Fewer dropouts due to attendance Attendance rates May 2019 Fewer dropouts due to attendance as evidenced in AEIS report; successful credit gains by students
2. Implement follow-up strategies to prevent excessive absences	Staff time PTSA time and money Activity money	Principals Attendance clerks	August 2018 - May 2019, phone-call log and list of home visits.	Improved attendance	Fewer dropouts due to attendance Attendance rates May 2019

3. Send notices of status to parents of students with excessive days absent	Staff time	Principals Attendance clerks	August 2018 - May 2019	Parental awareness of rules/regulations concerning credit and attendance laws	Early make-up of missed hours; Increased attendance and awareness of attendance laws
---	------------	---------------------------------	------------------------	---	---

Correlates of Effective Schools 2, 5, 7

Activities/Strategies	Resources	Person Responsible	Formative Evaluation/Date	Expected Outcome	Summative Evaluation/Date
4. Utilize Truancy Court action for excessive truancy / non-enrollment. Follow through on court days	Attendance records	Principals, Attendance Clerks	Monthly scheduled court dates	Support for school attendance from parents Increased individual attendance	May 2019
5. Reduce health-related absences through parent contacts and referrals to community agencies	Staff, pamphlets & literature Local Community	Principals School Nurse	August 2018- May 2019 referral records reports	Parental awareness of community assistance. Information of preventive healthcare Fewer absences due to illness	May 2019
6. Stress the importance of preventive health care	Staff, pamphlets & literature Local Community	Principals School Nurse	September 2018- May 2019	Parental awareness of community assistance. Information of preventive healthcare Fewer absences due to illness	May 2019

7. Acknowledge and reward students with exceptional attendance	Time Local	Principals Attendance Clerks	August 2018 - May 2019	Improved attendance Increased individual attendance	May 2019
8. Home visits	Time/Local funds/transportat ion	Principals Attendance Clerks	Each six weeks	Improved attendance	May 2019
9. Saturday School for students with excessive absences	Local	Principals Attendance clerks	Each six weeks	Improved attendance	May 2019

CURRICULUM

Long Range Goal: Successful academic performance by all Sabinal ISD students

District Performance Objective: The District will implement curriculum initiatives that enhance the success of all campuses.

SBOE Goal Correlation: 1, 2, 4, 6, 8, 9; SISD Goal Correlation: 1,3,4

Activities/Strategies	Resources	Person Responsible	Formative Evaluation/Date	Expected Outcome	Summative Evaluation/Date
1. Teachers will re-evaluate and update our locally developed assessments each year. The use of AWARE & TEKS Resource System will be used to help develop formative assessments for grades 6th – 11th	Teacher time Local funds Title I	Principals Superintendent	Fall 2018 Spring 2019	To create instruments to adequately judge student progress towards mastery of TEKS	STAAR Testing Spring of 2019
2. Data Management - AWARE will be used at 6-12 th grades	Local Title	Principals Superintendent Teachers	Every six weeks	Continuous improvement in student mastery of TEKS – teachers utilizing data to inform instructional practices	STAAR Testing Spring of 2019
3. Continue to implement district curriculum for instructional alignment.	Local Title SCE	Principals Superintendent	Ongoing Each six weeks	Better resource for teachers. Student improvement on STAAR scores	June 2019
4. Intervention classes and tutorials to be done by and added math instructional specialist.	Local Title	Principals Teachers Specialist	Each Six weeks	Increase in locally developed assessment scores, course passing rates and /STAAR scores	June 2019
5. Plato	Local, SCE Title	HS Principal, Teachers	Weekly	Improved credits recovered by students	December 2018 June 2019
6. Use of Co-curricular activities to increase	Local, Title	Principals Teachers	Each Six weeks	Increase in student interest in academic	June 2019

student engagement				areas	
7. Use of Eduphoria Forethought for teacher lesson plans and administrator approved planning templates	Local	Principals Teacher	Weekly	Increase in data-based instruction	June 2019
8. Reading Plus Program	Local	Principal Teachers	Ongoing	Increase in student overall reading levels and higher performance levels in state assessments	June 2019

AEI: 1, 3, 4, 5, 6, 7, 8

PARENT AND COMMUNITY INVOLVEMENT

Long Range Goal: Parent involvement at all levels will increase

District Performance Objective: SISD will continue to make opportunities available for parent and community patrons to participate in school activities on a consistent basis.
