

Yearbook Editors and Photographers

Photographers take all the photos needed for the yearbook.

Editors design the yearbook, organize how the yearbook will be arranged, and create the pages. They receive a username and password for the Jostens website which enables them to work on their pages from home if needed.

Meeting Times:

From Sept. through Dec. Yearbook photographers, meet on Thursdays from 7:20-7:40 in room 110 with Mrs. Burkholder.

From January through March, editors will meet every Tuesday from 2:35 to 3:35 with Mrs. Burkholder in the room 201 Computer Lab to begin the process of creating the yearbook.

Editors can also be photographers or just be editors. They do not have to do both. Likewise, the current photographers can continue to be photographers and not be editors, or they can do both. Thursday meetings are on the school calendar.

Please indicate your choice below:

_____ I want to be a photographer during the school day only. This requires students to check in with Mrs. Burkholder at 7:20 AM Thursday mornings to check out the camera.

_____ I want to be a photographer and will attend most Thursday morning meetings and sign up to **attend some of the after school Home events such as sports.**

_____ I want to be both an Editor and a Photographer and will attend both types of meetings.

_____ I want to be an Editor only and will attend after school, Tuesday meetings beginning in January.

Name _____ Homeroom _____

Parent Permission required to attend Yearbook meetings:

I give my permission for _____ to attend Yearbook meetings as designated by the job they signed up for above. (Students sign-up in advance for games, so they can check dates, times, and transportation with parents' and guardians' schedules.)

Signed _____ Date _____ (parent/guardian signature)
