RE: CORONAVIRUS DISEASE OF 2019 (COVID-19)

The Emerson-Taylor-Bradley School District is actively monitoring and responding to the recent identification and outbreak of the "Corona Virus", COVID-19. We are following the recommendations from the Arkansas Department of Health and the CDC, Centers for Disease Control. Fortunately, many of the recommendations are the same as the ones we have been following to combat the outbreak of influenza. Additionally, we have been cautioned to identify any person with connections to our schools and communities who have recently traveled to or from China, Italy, Iran or any of the other areas where outbreaks have occurred. Anyone who has recently traveled internationally to any of these areas, please contact the Arkansas Department of Health at 501-537-8969 or 800-554-5738. If the corona-virus continues to evolve and outbreaks become more threatening, the Emerson-Taylor-Bradley School District will respond with additional CDC recommended guidelines and policies. The health and safety of our students and communities are our highest priorities.
