TO SELECT A PHOTO FOR YEARBOOK INCLUSION:

If you order the One-Pose Package, that image will automatically be sent to the yearbook for inclusion. THERE IS NO NEED TO DO ANYTHING ELSE REGARDING YEARBOOK SELECTION IN THIS CASE.

If you order a package that allows two poses to be used, specify which of the images you'd like used in the yearbook. You can communicate this choice by clicking the comments button on the order checkout page, or by emailing the choice directly to hillard21@gmail.com

NOTE: When indicating which image you'd want to use for the yearbook please use that image's FILE NAME. You will see the FILE NAME under the image when you double click on it for enlarged viewing. It will begin with either, H8H_ ; H3H_ ; IMG_ ; or, will be a long number containing the letter Z.

If you don't order prints, but still want to be the person who chooses your picture for yearbook inclusion, email your selection (using the file name as outlined above) to hillard21@gmail.com . Please note that only those images that are ordered will be digitally retouched for the yearbook. **A yearbook selection without a purchase means that image is sent to the yearbook without retouching.**

If you do not order, AND do not email a yearbook selection by December 1, 2019 the image appearing on your ID Badge will be used for the yearbook.
