School Celebrations! Hip-hip-healthy!

IN AN EFFORT TO KEEP ALL OF OUR CHILDREN HEALTHY, WE SUGGEST THESE NON-FOOD ALTERNATIVES TO TRADITIONAL BIRTHDAY TREATS

- Party favors such as party hats, kazoos, bouncy balls, pencils, erasers, notepads, crayons, bubbles, stickers, temporary tattoos, crazy straws, mini play-doh etc.
- Fun school supplies for each kid such as colorful pencils, erasers, sticky notes, pencil cases, book marks, etc.
- Bring in a craft supplies and directions for a fun birthday craft.
- Donate a book for the class library, a game, music or other school item to the classroom - place a sticker that says "Donate by parents of _____ to celebrate his/her birthday"
- Bring in something that all the kids can sign as a birthday treat such as a t-shirt, tote bag, autograph stuffed animal, etc.
