## Teacher's Corner

### Grinch Media!

On February 26, students in fourth grade took on Dr. Seuss! On this day in particular, the Grinch; we read "How the Grinch Stole Christmas" in class that day. After we read, we, as a class, discussed how the Grinch acted in the story. Two of the main questions that was brought up was, "How would he act if he was a real person in the world today?" and, "How would he act on social media" The students went to brainstorming, and each student made the Grinch either a Facebook, Instagram, or Twitter page. Then came the fun part, customization! The students got to pick what he would post, and how he would word it according to how he felt about Christmas throughout the story. The posts went from bitter, grouchy, and rude to happy, grateful, and heartfelt. His profile had the works! The Grinch had a profile picture, a header, a biography, the whole nine yards! Creativity was in the air that day! And on that day, Grinch Media was born!
