Calendar Changes

March 12, 2019

Dear Parents,

A couple weeks ago I sent out a letter letting everyone know about a change to the school calendar as a result of the 10 snow days we have had this winter. I also indicated that there would be a plan forthcoming to make up additional missed days. Monday night the school approved the following additional changes to the school calendar:

1. **Friday, March 22nd** will become a full day for students. This day was originally scheduled to be a half day for students.
2. **Monday, March 25th** will become a full day for students. This day was originally scheduled to be a staff development day for teachers with no students.
3. **Monday, April 22nd** will become a full day for students. This day was originally a vacation day for everyone.

We know that this will not be ideal for everyone and there may be some issues created as a result of this plan. But we, as a district, also believe it is important to try and regain some of the lost time due to our crazy winter. We wanted to get these days made up sooner rather than later and not wait until June.

Please make these changes on your calendar and if you have any questions regarding this plan please contact me at (507) 874-3240 or bshanks@ac242.us.

Respectfully,

Brian Shanks

Brian Shanks
Superintendent
Alden-Conger Public School

NO SCHOOL

Friday, April 19th

THANK YOU

THANK YOU to all of the Mystery Readers that came in and read to the elementary students during the month of February! The students LOVED Mystery Reader Month!!!

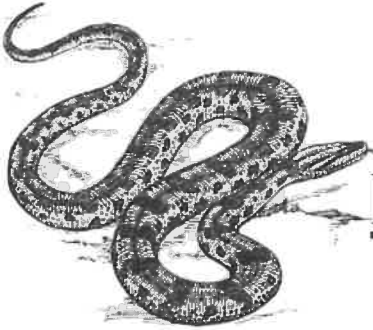

THANK YOU to everyone who joined us for K-3 Muffin Morning on Friday, March 1st. We had a GREAT time celebrating Read Across America Day!

THANK YOU to the 5th/6th grade Science Fair volunteer judges and to all the families who came and looked at the projects. The students did an AMAZING job!

MCA TESTING

Students in grades 3rd-5th will be taking the Minnesota Comprehensive Assessment (MCA) in Reading on April 9-12 and Math on April 23-26. In addition to math and reading, 5th grade students will also take the MCA science test on May 1.

Alden-Conger K-5 Elementary Family Involvement Night

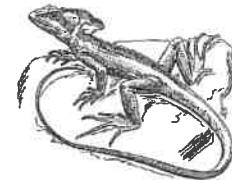

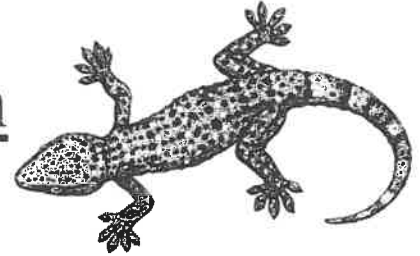

RAD Zoo Presentation

Monday, May 13, 2019

6:15pm – 7:30pm

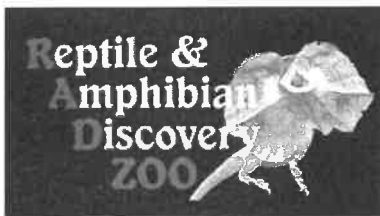

KNIGHTS GYM

The RAD (Reptile, Amphibian, and Discovery) Zoo is bringing their traveling zoo to Alden-Conger School! Come see and learn about these fascinating reptiles!

Hope to see you there!

Family Night Event Sponsored by: Title I & PTO

***** A special thank you to PTO for funding the RAD ZOO! We appreciate the PTO's support! ☺**
