Enrollment Timeline

Our enrollment runs on an annual basis from September through the end of August of the following calendar year. The majority of new enrollments and classroom transitions will take place at that time, however we occasionally have spots open during the school year. Our infant and toddler classes have more frequent transitions as they develop at a more substantial pace during these beginning years.

Enrollment Deposit

Upon enrollment we require a non-refundable deposit of one month's tuition to confirm your child's spot in a class for the school year. Your deposit will eventually serve as your child's last month of tuition payments upon their graduation or departure from WKA. Should your family choose to un-enroll prior to the end of a school year, your deposit will be forfeited unless we are able to fill your child's spot within the time period you have allotted. Enrollment invitations and commitments for the following school year will be sent and collected each March. If your child will not continue at WKA, this is the opportunity to notify us that they will not continue for the following school year. In this case, you will not be charged tuition for the month of August, as your deposit would be applied.

Hours and Days of Operation

Whole Kids Academy is open Monday thru Friday from 7:30 a.m. to 6:00 p.m. Please note that we close promptly at 6:00 p.m. there is a late pick-up fee of \$3.00 per minute after your child's regularly scheduled pick-up time. Our school is open year-round with the exception of holidays, winter break and administrative planning days. Please refer to the school calendar for more information on school closings and events.

Other Fees

We collect a one-time registration fee of \$125 when your child enrolls in one of our programs. An annual activity fee of \$150 will be collected each year to cover the cost of school-wide special events and activities. A security fee of \$50 will be collected for two key fobs to gain access to our secured facility.

Part-Time Schedules

We do our best to meet the individual scheduling needs of each family and will provide part-time schedules whenever possible, particularly when new children are transitioning into our program. Please note however, that children seeking full-time schedules will be given priority placement in our classrooms. In cases, where a part-time child holds the last spot available, they will be offered the option of moving to full-time before forfeiting their spot.

Tuition Payments

Whole Kids Academy utilizes Tuition Express to ease the process for parents in paying tuition each month. Families will be required to complete our automated payment processing form and tuition will be deducted from your bank account automatically every other Thursday. There will be a \$50 service charge for any returned payments. Please note all tuition rates are based on a calendar year with payments collected every two weeks. We do not offer credits or discounts for holidays, sick days, snow days, vacations or any other days the school is closed. Tuition rates are based on child's class and will not change until they move up to the next class or there is a tuition increase. Annual tuition increases of 3-5% may be expected to cover increased rent, expenses and pay increases for our hardworking and talented staff.

Waiting List

If all of our classes are currently full for your child's age group and you would like the opportunity to enroll once a spot becomes available or you would like to enroll your child for a future date, we will place you on our waiting list for a one-time, non-refundable fee of \$125. We will require a completed wait list form and wait list fee in order to place you on our wait list. We will extend an enrollment offer to you once an available placement in the appropriate classroom becomes available. Upon being notified that a spot is available, you will have 48 hours to accept the spot or it may be forfeited to the next family on the wait list. You will typically have approximately three weeks' notice before your child would be expected to enroll in the open spot.
