Part A: Follow the directions on the sheet above. You can use any medium for your drawing and attach it as a separate document to Google Classroom or upload as a picture through REMIND or text. As it is stated above, if you are absolutely struggling with drawing, you may provide a written description of your costume.

Part B: Why did you choose the items you did? Explain in full detail.

Have fun with this project and be as creative as you can! You never know, the role of costume designer could be in your future!!
