

LLANO GAME THIS FRIDAY

Fund Drive Continues

We have heard from so many of our Wimberley residents who want to support the Llano community following the devastating floods earlier this month. Thank you for the outpouring of support. We are looking forward to our Friday night football game against the Llano Yellow Jackets—during this game, we will present our collection of donations to Llano ISD.

There are still ways you can help and for your convenience, each of our campuses is collecting donations. While checks are not accepted, we are collecting **cash** and **gift cards**. Here is a list of the most-needed gift cards:

- 1. HEB**
- 2. Home Depot and Lowes**
- 3. Tractor Supply**

We are so grateful for the support Llano ISD gave us when our community suffered destruction and loss of life during the 2015 Memorial Day Flood. Thank you in advance for your generosity in helping pay it forward. Please direct any questions to [Linda Corbitt](#), WISD Central Office Specialist.

**We'll see you at the game in Llano
on Friday night!**
