

For Gr. K-4

Eager Engineers

Holy Trinity Elementary

Eager Engineers is about building– with Lego's, K'Nex, Citiblocs, LED Lights, Batteries & more. New this year: K'Nex Motors! With these we build excitement, discovery, self-confidence– and learn a few things too! New projects each & every week. We'll even send weekly emails about the math/science concepts learned in each class.

Fall projects include: *K'Nex Motor Robots, Lego Miniature Golf, Citibloc Sitting Dogs, Screaming Balloon Ghosts & more.*
