

2019-2020 Eligible Majors

Biology	Mathematics
Chemistry	Nursing
Computer Science	Pharmaceutical Sciences
Engineering	Physics
Environmental Science	Speech & Hearing
Health Sciences	

Who Can Apply?

- Be a new entering freshman or transfer student
- Be an Ohio resident
- Have an undergraduate degree plan for a STEM (science, technology, engineering, mathematics, nursing or medicine) major
- Have a high school grade point average of 3.25 or higher, or ACT score of 27 or higher, or SAT score of 1300 or higher
- Have a commitment to COF program requirements
- Have a current FAFSA on file with Financial Aid
- Not already be receiving a full scholarship

Scholarship awards range from \$1,500 to \$7,500 per student, per academic year, towards the cost of tuition.

The actual amount awarded is based on financial need, with all eligible students awarded at least \$1,500 per academic year.

Scholarships are renewable to cover all four years of an undergraduate degree, contingent on continued eligibility and state funding.

General Program Requirements

- Be a full-time undergraduate student in a STEM major (Typically 15 credit hours per semester)
- Participate in required cohort activities (i.e. - meetings, poster sessions, etc.)
- Meet with assigned advisor at least once a semester
- Maintain a cumulative GPA of 3.25 or higher
- Make progress towards a STEM degree
- Have a 4-year graduation plan approved by major advisor (Exceptions may be made for majors, students participating in a co-op, etc)

The Choose Ohio First Scholarship Program is a state-funded program supporting students majoring in Science, Technology, Engineering, Mathematics and Medicine (STEMM).

"In addition to the financial support which allows me to spend more time studying, I also greatly appreciate the structure and guidance provided in the mandatory research presentations. Being required to perform independent research has allowed me to unite classroom knowledge and skills in practical application."
