

Alternative PE credit

As an alternative to earning PEP1005/PEP1010 credit for Physical Education through conventional course work/class time, a student may earn credit through an 8 week after school class provided:

- Participated for the entire sport season (with coach's acknowledgement/Varsity Letter not required). Participation has to have been previously completed (not currently enrolled in or planning to enroll).
- Classified as at least a second semester Sophomore
- Attendance for all 8 classes is mandatory

A student can earn up to .5 credit by having participated in 1 individual sport.

A student can earn up to .5 credit by having participated in 1 team sport.

Qualifications to enter the class must be verified by the Athletic Director prior to the start of the class.
