Japan Super Science Fair

Kalani High School is once again invited to participate in this year's Japan Super Science Fair in Kyoto, Japan. Kate Fujii, Mina Gusukuma, Lauren Horita, Shirley Li and Kaitlyn Strandberg (accompanied by Mr. Okawa) will be presenting their research topic "*Flex Sensors to Micro Servos : Converting Analog to Digital*" and performing their Cultural Presentation in early November at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan. Our students leave on November 12 - returning home on November 21.

Jeju Student Forum

Kalani High School is once again invited to participate in the Jeju Student Forum in Jeju, Korea. Tianna Au, Bienierose Cacho, Ji Won (Toby) In and Ashley Taylor (accompanied by teacher Alex Kendrick) will be representing Hawaii and the United States in Jeju, Korea. The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on protection of migrant workers, protecting cultural and natural world heritages, reducing waste effectively, and eradicating inequality and injustice in society and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum serves as a way to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust. The Kalani Delegation will be traveling from October 30 – November 5.

Federal Impact Aid Survey Forms

Parents, please help us collect Impact Aid by filling out the Federal Survey form. Forms were distributed to students to take home. The amount of Impact Aid schools receive is based on how many parents complete and return the survey to their child's school. Every school strives for a 100% survey return.

Fall sports information forthcoming

STUDENT ACTIVITY CARD

As a result of the realigned football schedule that includes interleague games between the OIA and ILH each league has agreed that their respective Student Activity Card will not be accepted at interleague games. The Student Activity Card will still be honored for all OIA regular season games. The cost for the Student Activity Card is \$25.00 and is good for admission to all Kalani regular season games both home and away for football, volleyball and basketball. The student must show their Student Activity Card to receive the student admission price for interleague games. Without the card students will pay the \$7.00 general admission rate for each game.

ASET FEE

The Athletic Supply Equipment and Transportation Fee (ASET) is a one-time per school year fee assessed to student-athletes once they have been selected to the team. The fee is good for as many sports as your child is selected for within the school year. The fee is used to cover transportation costs for all sports (the amount allocated to schools by the state is not nearly enough to cover the annual transportation costs). With these funds, Kalani will provide transportation to and from all regular season and post season games. The fee will also cover airfare and ground transportation expenses if post season play is on the Neighbor Island.

The Student Activity Card will no longer be provided upon payment of the ASET Fee and must be purchased separately. The ASET Fee will be \$60.00 for the 2018 – 2019 School Year.

All student fees – grade level and athletic fees are approved annually by the School Community Council

KOYO Senior High School – Kalani High School Partnership

Kalani High School students returned from their cultural visit to Koyo Senior High School in Hiroshima, Japan. This sister school partnership continues to present opportunities for both schools to learn from each other while strengthening bonds of friendship, peace and tolerance between the United States and Japan. This program helps to solidify the fellowship between schools as we continue to engage in correspondence and visits that promote a greater understanding of the cultures and social customs of both countries. The Kalani Delegation (10 students), led by vice-principal Keileen Isono and Student Activities Coordinator Rei Akasaki stayed in the homes of Koyo students. They visited classrooms and explored beautiful Hiroshima. They returned to Hawaii on Sunday, July 29. Kalani High School cherishes the special relationships that we share with Koyo Senior High School and we are proud to be a part of a program that helps to develop lifelong friendships and global perspectives in our communities.
