The Little Mermaid - Elementary

Audition Letter to Parent - Elementary

Dear Parents,

The staff at Parker Performing Arts is very excited your student has chosen to audition for a role in PPA's Fall 2019 production of **The Little Mermaid**. The dates of the production are **November 7th, 8th, 9th, 14th, 15th, and 16th 2019**. There will be eight performances total; to be cast your child must be available for **every** performance. There will also be volunteer opportunities for parents during the production, we will keep you posted as they become available.

In order for everyone to receive an equal opportunity when auditioning; auditions for elementary school students will be held during school time in their Encore classes throughout the week of **August 19th - 22nd, 2019**. Students will be auditioning in several different classes at different times; please plan your student's attendance accordingly. Students will only be allowed to audition if the attached form has been fully completed, signed by a parent, and returned to **Ms. Algrim** no later than **5:00 pm Friday, August 16th, 2019**. In the Audition Packet there is a list of available characters for your student's age group.

The rehearsal schedule will be every **Monday, Tuesday, Wednesday, and Thursday** starting **August 26th, 2019 from 3:30pm- 5:00pm**. During the first rehearsal your student will receive their script and actor contract. **The first rehearsal goes from 3:30-5:30pm**. Your student may not be called to every rehearsal, but they need to have open availability prior to casting. An exact rehearsal schedule will come out every two weeks during the rehearsal time period. In order to participate in rehearsal the student must be in attendance the day of rehearsal for at least a half day.

The Cast List will be released on **August 23rd, 2019**. We are excited to welcome all who wish to audition, we are sure there will be a lot of students who are excited to participate. However, there are only a certain number of cast slots available. This is a great opportunity to discuss the best ways to celebrate, be disappointed, and be a shining student throughout the theatre process.

Per school policy all students will need to maintain academic and behavioral eligibility throughout the production. The expectations for our students to follow the SHINE model will be upheld in rehearsal, in school, and out of school. Auditioning is an excellent experience for all students. Thank you for encouraging your student to engage in the school and stretch their boundaries. We will be happy to see them at auditions. If you have any questions please contact: Carolyn Jordan(Director) - carolyn.jordan@parkerperformingarts.org or Kayla Algrim (Stage Manager) - kalgrim@parkerperformingarts.org.

Thank you,

Parker Performing Arts Theatre Staff

Audition Letter to Student - Elementary

Dear Students,

The staff at Parker Performing Arts is very excited you have chosen to audition for our Spring 2018 production of **The Little Mermaid**. The dates of the production are **November 7th, 8th, 9th, 14th, 15th, and 16th 2019**. There will be seven performances total; to be cast you must be available for **every** performance.

This production is a musical. It will require singing, dancing and acting all at the same time. If you do not enjoy doing these three things please consider your decision to audition carefully. We want everyone to have fun during this production.

In order to give every student the proper chance to audition, auditions will be held during your Encore classes throughout audition week. The cast list will come out **August 23rd, 2019**. In the audition packet you will find a list of characters you can audition for. Due to specific character criteria there are some characters elementary students will not be considered for. Please keep in mind, there are no small parts in theatre.

There will be a very large number of students auditioning for the musical, however we only have a certain number of cast members we can accept. If you are not asked to join the cast it does not mean you are a bad performer. We wish we could accept everyone, but that just isn't possible. When the cast list comes out please remember it is okay to feel your feelings, whatever they are. It is also important to remember our E in SHINE - empathy, please think about how other students feel as well.

Academic and Behavioral Eligibility must be maintained throughout the audition and production process. Students will not be able to participate for the whole week if they are ineligible. Students who have more than two weeks of being ineligibility will be asked to leave the production. When you are auditioning please remember to give it all you can. It is important that we see everything you have to give. Auditioning can be scary, but it is all about having fun. We look forward to seeing you on stage.

Thank you,

Parker Performing Arts Theatre Staff

Audition Tips, Tricks, and FAQs - Elementary

During auditions it is important to remember these things:

- Have fun! Seriously, it's all about the fun.
- We are looking for originality, we want you to make your own character choices. Don't be afraid to be silly or over the top. More times than not, it is exactly what we are looking for.
- Be sure to stay hydrated and eat healthy. Keeping your body in good shape will help you be the best actor you can be.
- It's okay to be nervous. Even as adults we get nervous during auditions. Just give it your best shot. Even if you don't succeed on your first try you will have gained valuable information and the next time you audition will become that much easier. Taking square breaths is a great way to keep yourself calm, centered, and focused.
- Your behaviour on and off the stage can easily play a factor in casting. If you are not being respectful of other actors while they audition, you will not be expressing your best self to the production crew. Those students are probably just as nervous as you and could use your support.
- Try your hardest and be the best you can be.

How will auditions work?

Auditions will be broken down into three parts: dancing, singing, and physicality. Each child will be given the opportunity to showcase their skills in each corresponding class. Auditions will be held in classes, students will audition in front of their peers and the production team during their Arts class time.

How many rehearsals can they miss?

Students may miss up to two rehearsals, anymore than that and we will need to discuss their participation in the show. The blocking, direction, and instruction occur at rehearsal so students need to be there, missing even one rehearsal can set back an actor. We want to be understanding of emergencies and sickness, but being in a show is a big commitment.

Can my student have a snack before rehearsals?

During Rehearsals there will be a window of time during which students can consume snacks and use the restroom prior to the start of rehearsal. Please send your child with an appropriate snack for their rehearsal days in they are cast.

Can my kindergartener audition?

No, our cast will start at 1st grade. We simply do not have the staff and resources necessary to properly assist kindergarteners during after school rehearsals.

Will there be a participation fee?

Yes, all after school activities at PPA require a participation fee. This fee goes towards costuming, scripts, meals, and other show necessities. If you have any further questions about fees please contact Kayla Algrim or Tanner Kelly.
