Student Transportation Safety Policy

At Athlos Academy, we strive to provide safe, timely and efficient transportation for our students. Please review the following school bus safety rules with your student(s):

- Immediately follow the directions of the driver.
- Sit in your seat facing forward.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside of the bus.
- Keep your arms, legs, and belongings to yourself.
- No fighting, harassment, intimidation or horseplay.
- Do not throw any object.
- No eating, drinking, or use of alcohol, tobacco, or drugs.
- Do not bring weapons or dangerous objects on the school bus.
- Do not damage the school bus.

Athlos Academy considers bus transportation to be an extension of the school, and thus the expectation is that student behavior while on the bus mirrors student behavior in the classrooms. It is a privilege to ride the bus and as such that privilege can be revoked at any time for a single act or a series of actions involving inappropriate student conduct.

If you have any questions, you can contact the dean of students, Michael Clymer, at mclymer@athlosjp.org or 504-290-2510.
