

Fridays are **Jeans for Missions** Days

Each Friday of the school year, students have the opportunity to unite with missionaries around the world to share the hope of Jesus Christ. Giving one dollar per week makes a difference in the lives of others and wearing jeans is an outward sign that you are a partner in these ministries.

Have you ever wondered where the money goes?

ELCA provides over \$1500 in monthly support toward the following ministries through Jeans for Missions...

- Teach Beyond - The Bishops working in Christian ministry in Budapest
- WaterStone - supporting Christian education around the world
- Helping In His Name Food Pantry - Henry County
- Fellowship of Christian Athletes
- Mission Quest - Phil and Jamie Covone in Mexico
- Grace Team - planting Christian schools in Africa

Would you prefer to donate to Jeans for Missions in one 'lump' sum?

You may pay \$34 per year (\$1 for each Friday of the school year).

YES! I'd like to partner with ELCA in spreading the Gospel through JEANS FOR MISSIONS.
