

8th Grade Party & Video

Attention all 8th grade students and parents!!

Your 8th grade promotion will be a once-in-a-lifetime occasion to remember and cherish.

The PTO sponsors a dance that immediately follows the awards ceremony. To cover the cost of a DJ, food, decorations, games, and more and eliminate the need to run fundraisers during the year, we collect \$12 from each 8th grade student.

This memorable event will be professionally videotaped to capture the promotion ceremony and entire celebration following! Every student will appear on the electronic version as they receive their awards. The camera will continue rolling during the entire dance and party to highlight all those special moments you never want to forget. This will be available in an unlisted, non-searchable YouTube Channel that will be sent to you through email. Access to electronic copies will be available sometime in late July or early August.

Using Pay Schools, submit a payment of \$15 along with an email address if you would like access to an electronic playlist of the promotion ceremony, entire celebration, baby picture slideshow, and 8th grade picture slideshow from the past school year.

We will also need a baby picture of your 8th grader preferably in electronic form. We will use it for both the 8th grade video and the party! It will be a special treat!

Please be sure to complete the following steps to make sure you are part of all this fun:

1. Using Pay Schools submit a payment of \$12 for the party (per 8th grade student).
2. Using Pay Schools, submit a payment of \$15 to the 8th Grade Channel Link Order if you would like a copy the 8th promotion and party video.
3. Submit one baby picture of your 8th grader. **We prefer this be done electronically if at all possible.**
 - Please name the photo file : Student Last Name, Student First Name
 - E-mail picture to: larson8photos@gmail.com
 - Or, drop off picture in an envelope at the office. Be sure to label the envelope as indicated above. We will return the picture with your student as soon as we have it scanned.

Ayessa Potts is the 2018-19 8th grade Celebration Chairperson. 8th grade parents are invited to volunteer to join the planning committee. Generally planning starts late fall / early winter for this event. Please watch Mr. Duda's weekly eblasts for more information. Information can also be found on the PTO website: <http://larsonmiddleschoolpto.weebly.com/8th-grade-party--video.html>

Thank you,
Larson PTO
