

## **Arrivals and Dismissals**

### **Opening Day – September 5, 2018**

- Walk your child to their line-up area (SEE MAPS BELOW). Each grade level has a specific entrance door where they will line up beginning at 8:30. Please note, most students will exit from the same door at 3:05. Classes that exit the building at different doors are 2-M, 2-R, 2-V, 3-B, 3-C, 3-H, 3-O, 3-R, 3-S, (all of 3<sup>rd</sup> Grade) and 4-MU. (SEE MAPS BELOW). At each entrance, teachers are assigned to supervise the children. They are there to assist children and help them find the correct line for their class.
- Classroom teachers will come out to meet their students and lead them to the classroom at 8:40
- Say good-bye quickly and allow your child to acquaint himself/herself with the other children in his/her class and grade. This is easier for your child if you are not standing next to him/her.
- Come on in! Our wonderful Franklin P.T.O. hosts a parent coffee in our gym on opening day at 8:30. It's a nice way to begin the year, meet your neighbors and catch up with old friends.

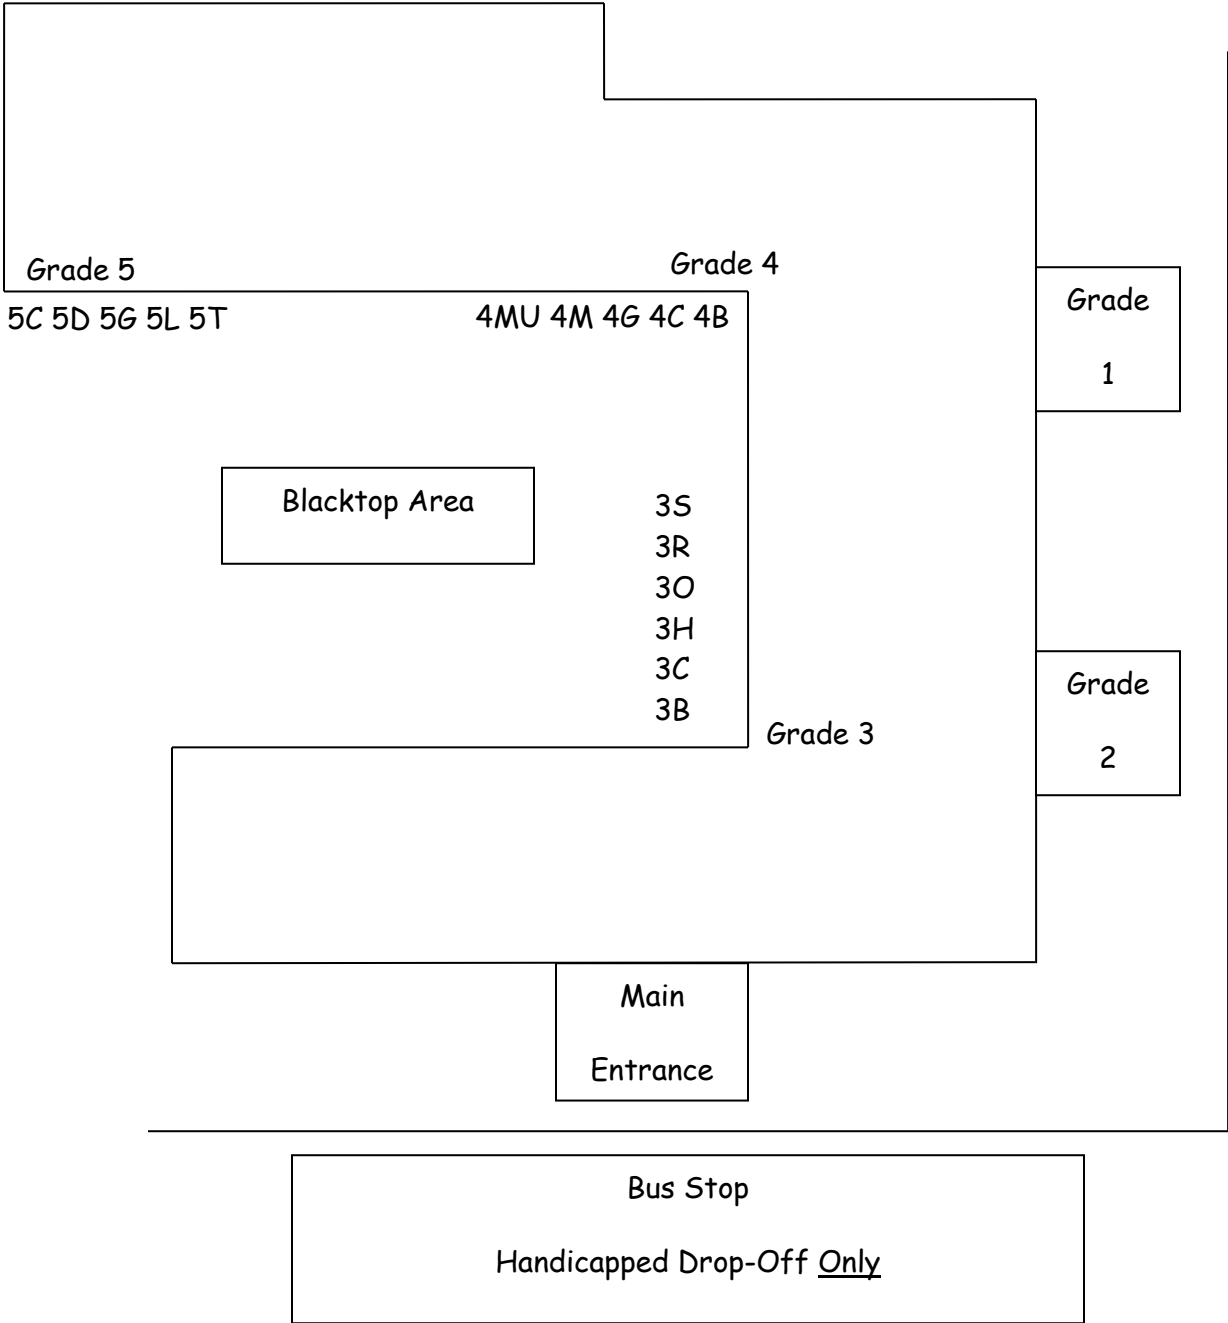

### **Before school begins**

- Take a dry run. Come to school and find the door where your student will enter and exit. Discuss who will walk or drive him/her to school. Go over the dismissal plan. Who will pick them up? Where will the meeting place be?
- Establish a back-up plan from day one. First, tell your child to come to the office if they cannot find you or the person they should go home with. Our office staff will assist them.

### **After the first day**

- Encourage independence at arrival time. Say a quick good-bye and then give your child the opportunity to stand on line independently. This is a key time for children to establish friendships with the other children in their class
